

SIG P320 COMPACT VERSION 1 SLIDES - GREY GHOST PRECISION

SIG P320 COMPACT SLIDE V1 GREY

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

The adoption of the P320® platform by the U.S. Military, as well as many Law Enforcement agencies, professional lead farmers, competition shooters, and firearm instructors led to the development of a new line of GGP aftermarket slides. After all, the P320's ability to be custom tailored to the individual user's preferences in grip length, grip size, as well as slide length and sight radius are all highly desirable features. Why stop there, when you can have even more customization options when upgrading to a drop-in GGP320 slide. Just like their GGP17/19 and SPG43 slides, these GGP320 slides offers enhanced aesthetic features, increased grip serrations and an improved coating without compromising function. Hybrid MRDS optics cut now allows the use of Sig ROMEO1, Trijicon RMR or Leupold DeltaPoint PRO footprint optics. The GGP320 is a drop-in install that comes with all the enhancements that professional handgun shooters have come to expect from Grey Ghost Precision. FEATURES: Machined from 416 Stainless Steel Available in Black and Grey DLC (Diamond Like Coating) or FDE Cerakote Optic cut compatible with Leupold DPP, Trijicon RMR and SIG Romeo1 with supplied screws and shim plates Includes G10 Cover Plate when not running an optic Compatible with SIG P320® Compact and Carry grip modules Optics not included Completion parts not included Please Note : All sights should be installed by a gunsmith

Safety Instruction Guide for SIG P320 Compact Version 1 Slides Grey Ghost Precision

Introduction

Thank you for choosing the SIG P320 Compact Version 1 Slides from Grey Ghost Precision. This guide provides essential safety instructions and information to ensure the safe use of your new product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that all safety measures are followed when handling firearms and firearm accessories.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms securely and out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a clear line of sight when shooting.
- Regularly inspect your firearm and accessories for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm usage and modifications.

Specific Safety Precautions for Use

- Only use the SIG P320 Compact Version 1 Slides with compatible SIG P320® Compact and Carry grip modules.
- Ensure that the firearm is unloaded before beginning any installation or modification.
- Use only the recommended optics compatible with the slide, including Leupold DPP, Trijicon RMR, and SIG Romeo1.
- Always wear appropriate eye and ear protection when using your firearm.
- Do not exceed the recommended cartridge specifications (9 mm Luger) for your firearm.
- Avoid using the firearm in adverse weather conditions that may affect performance.
- If you notice any unusual behavior or performance from your firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure your workspace is clean and free of distractions.
- Gather necessary tools, including a gunsmithing tool kit.

2. Installation

- Verify that the firearm is completely unloaded.
- Remove the existing slide from the firearm according to the manufacturer's instructions.
- Align the GGP320 slide with the grip module and carefully slide it into place.
- Secure the slide using the provided screws and shim plates.
- Install the G10 Cover Plate if not using an optic.

3. Optic Installation

- If using an optic, follow the manufacturer's instructions for mounting.
- Ensure that all screws are tightened to the manufacturer's specifications.

4. Function Check

- Perform a function check to ensure the slide operates smoothly.
- Check the alignment of the optic if installed.

5. Usage

- Always follow safe firearm handling practices when using your firearm.
- Regularly clean and maintain your slide to ensure optimal performance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the slide or any components become damaged beyond repair, consult local waste management guidelines for proper disposal methods.
- Do not dispose of firearms or firearm components in regular trash.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please reach out to the designated support channels provided by your retailer or manufacturer.
