

# FAL/SA58 308 WINCHESTER TRADITIONAL PROFILE FIXED STOCK - SA58 FAL 18" BUSH WARRIOR FIXED STK

[Firearms](#) > [Rifles](#) > [Semi-Auto](#)

The DS Arms Bush Warrior Rifle is patterned after one of the last contract FAL's that FN produced, for the country of Bolivia. The Bush Warrior configuration features an 18" carbine barrel rather than the full size 21" barrel featured in our Cold Warrior rifle. The Bush Warrior has a number of the features that any FAL enthusiast looks for while also having some cost saving measures in place for us to be able to offer this rifle at an entry level price point. Some of the Bolivian specifications that we've kept in this rifle are the Holland Style rear sight which is one of the most durable rifle sights to ever be made, the 50.63 PARA Style folding cocking handle, this cocking handle folds flat against the receiver preventing any snagging or gouging if the rifle is slung across the back. The rifle is built using the Type 3 receiver, while the original Bolivian contract called for a NON Carry Handle Cut version we elected to include the cut for end users who may want to add the carry handle feature to the rifle. The receiver as well as the top cover feature a Matte Black DuraCoat finish; not only does this finish add another layer of protection it also allows this rifle to have clean black lines while avoiding the added expense of a complete Matte Black DuraCoat finish that our SA58 line of rifles features. This rifle is fully compatible and interchangeable with all Metric Pattern parts & accessories. Standard Configuration Includes: 18" Premium Standard Profile Barrel. Barrel Features Bi-Pod Cut & Front Sling Swivel. 7.62 x 51mm NATO Chamber & Bore. Barrel Features a 1:10 Twist Rate. Barrel Is Threaded 9/16x24 Left For Traditional FAL Muzzle Devices. 4140 Fully Machined & Heat Treated Cast Steel Type 3 Carry Handle Cut Receiver. Belgian Style Combo Device Flash Hider. Sand Cut Enhanced Fixed Stock Carrier. Left Side Non-Reciprocating Folding Metric Cocking Handle. Traditional Metric Pistol Grip. U.S. Made Glass Filled Nylon Reinforced Full Length Handguards. U.S. Made Glass Filled Nylon Reinforced Humpback Buttstock. Forged 7075-T6 Aluminum Lower Trigger Frame. Traditional Fixed Stock Operating System. Fully Adjustable Gas System. Short Stroke Piston Design. Stainless Steel Gas Piston. Elevation Adjustable Front Sight Post. Holland Style Rear Sight Assembly - Windage Adjustment Click Screw Setting. Rifle Features A Matte Black DuraCoat Finish On The Receiver & Top Cover Giving This Rifle Clean Black Lines. 20 Round Metric Magazine. Owners Manual, Hard Case & Sling Included.

# Consumer Safety Instruction Guide for the FAL/SA58 308 Winchester Traditional Profile Fixed Stock

## Introduction

Thank you for choosing the FAL/SA58 308 Winchester Traditional Profile Fixed Stock. This guide provides essential safety instructions to ensure the safe use and handling of your firearm. It is important to read and understand this guide before using the product.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store the firearm securely and out of reach of children.
- Use only the recommended ammunition for this firearm.
- Regularly inspect the firearm for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and usage.
- In case of a misfire, keep the firearm pointed in a safe direction and wait at least 30 seconds before attempting to clear the malfunction.

## Specific Safety Precautions for Use

- Ensure that the safety mechanism is engaged until you are ready to fire.
- Do not modify the firearm in any way that could affect its safety.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that the shooting area is clear of people and animals.
- Only use the firearm in designated shooting areas or ranges.
- Avoid using the firearm under the influence of alcohol or drugs.
- Ensure that the firearm is unloaded when not in use and during transportation.

## Instructions for Installation and Usage

### Installation

1. **Check the Firearm:** Ensure the firearm is unloaded before installation.
2. **Attach Accessories:** If applicable, attach any accessories following the manufacturer's instructions.
3. **Inspect the Assembly:** Ensure all parts are securely attached and functioning properly.

### Usage

- **Loading the Firearm:**
  1. Open the action and ensure the chamber is empty.
  2. Insert the magazine into the magazine well until it clicks into place.
  3. Load cartridges into the magazine as per the manufacturer's guidelines.
- **Firing the Firearm:**
  1. Ensure the firearm is pointed in a safe direction.

2. Engage the safety mechanism.
3. Prepare to fire by disengaging the safety.
4. Aim at the target and gently squeeze the trigger.

- **Cleaning and Maintenance:**

1. Ensure the firearm is unloaded before cleaning.
2. Use appropriate cleaning supplies as recommended by the manufacturer.
3. Regularly clean the barrel and action to ensure proper functioning.

## **Disposal Instructions**

- Dispose of any unused or expired ammunition in accordance with local regulations.
- When disposing of the firearm, ensure it is rendered inoperable and follow local laws for firearm disposal.
- Contact local authorities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding this product, please refer to the manufacturer's contact information provided with the product packaging.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your FAL/SA58 308 Winchester Traditional Profile Fixed Stock. Always prioritize safety and responsible ownership.
