

FAL/SA58 308 WINCHESTER TRADITIONAL PROFILE FIXED STOCK - SA58 FAL 16" JUNGLE WARRIOR FIXED STK

[Firearms](#) > [Rifles](#) > [Semi-Auto](#)

The DS Arms Bush Warrior Rifle is patterned after one of the last contract FAL's that FN produced, for the country of Bolivia. The Bush Warrior configuration features an 18" carbine barrel rather than the full size 21" barrel featured in our Cold Warrior rifle. The Bush Warrior has a number of the features that any FAL enthusiast looks for while also having some cost saving measures in place for us to be able to offer this rifle at an entry level price point. Some of the Bolivian specifications that we've kept in this rifle are the Holland Style rear sight which is one of the most durable rifle sights to ever be made, the 50.63 PARA Style folding cocking handle, this cocking handle folds flat against the receiver preventing any snagging or gouging if the rifle is slung across the back. The rifle is built using the Type 3 receiver, while the original Bolivian contract called for a NON Carry Handle Cut version we elected to include the cut for end users who may want to add the carry handle feature to the rifle. The receiver as well as the top cover feature a Matte Black DuraCoat finish; not only does this finish add another layer of protection it also allows this rifle to have clean black lines while avoiding the added expense of a complete Matte Black DuraCoat finish that our SA58 line of rifles features. This rifle is fully compatible and interchangeable with all Metric Pattern parts & accessories. Standard Configuration Includes: 18" Premium Standard Profile Barrel. Barrel Features Bi-Pod Cut & Front Sling Swivel. 7.62 x 51mm NATO Chamber & Bore. Barrel Features a 1:10 Twist Rate. Barrel Is Threaded 9/16x24 Left For Traditional FAL Muzzle Devices. 4140 Fully Machined & Heat Treated Cast Steel Type 3 Carry Handle Cut Receiver. Belgian Style Combo Device Flash Hider. Sand Cut Enhanced Fixed Stock Carrier. Left Side Non-Reciprocating Folding Metric Cocking Handle. Traditional Metric Pistol Grip. U.S. Made Glass Filled Nylon Reinforced Full Length Handguards. U.S. Made Glass Filled Nylon Reinforced Humpback Buttstock. Forged 7075-T6 Aluminum Lower Trigger Frame. Traditional Fixed Stock Operating System. Fully Adjustable Gas System. Short Stroke Piston Design. Stainless Steel Gas Piston. Elevation Adjustable Front Sight Post. Holland Style Rear Sight Assembly - Windage Adjustment Click Screw Setting. Rifle Features A Matte Black DuraCoat Finish On The Receiver & Top Cover Giving This Rifle Clean Black Lines. 20 Round Metric Magazine. Owners Manual, Hard Case & Sling Included.

Safety Instruction Guide for FAL/SA58 308 Winchester Traditional Profile Fixed Stock

Introduction

Thank you for purchasing the FAL/SA58 308 Winchester Traditional Profile Fixed Stock. This guide aims to provide you with essential safety information, usage instructions, and guidelines to ensure safe operation and maintenance of your rifle. Please read this manual carefully before use.

General Safety Guidelines

- Always treat the rifle as if it is loaded.
- Keep the rifle pointed in a safe direction at all times.
- Ensure the safety is engaged when not in use.
- Store the rifle in a secure location, away from unauthorized access, especially from children.
- Regularly inspect the rifle for any signs of wear or damage.
- Use only manufacturer-approved parts and accessories.
- Be aware of your surroundings and ensure you have a clear line of sight when firing.
- Always wear appropriate eye and ear protection when using the rifle.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the rifle before use.
- Do not rely solely on the safety mechanism; always keep your finger off the trigger until you are ready to fire.
- Avoid using the rifle under the influence of drugs or alcohol.
- Do not attempt to modify or alter the rifle in any way that may affect its safety or performance.
- Be cautious of the rifle's muzzle when loading and unloading.
- Check the chamber and magazine for obstructions before firing.
- Use only the recommended ammunition type: 308 Winchester.

Instructions for Installation and Usage

Installation

- Ensure the rifle is unloaded before beginning installation.
- Follow these steps to attach any accessories:
 1. Identify the mounting points on the rifle.
 2. Align the accessory with the mounting points.
 3. Secure the accessory using the provided screws or clamps.
 4. Doublecheck that the accessory is firmly attached before use.

Usage

- Loading the Rifle:
 1. Ensure the rifle is pointed in a safe direction.
 2. Open the action and visually inspect the chamber.
 3. Insert the magazine until it clicks into place.
 4. Pull the charging handle to chamber a round.
- Firing the Rifle:
 1. Ensure your stance is stable and your grip is secure.

2. Aim at your target and check your surroundings.
 3. When ready, disengage the safety and gently squeeze the trigger.
 4. After firing, keep the rifle pointed downrange until you are ready to reload or cease fire.
- Unloading the Rifle:
 1. Point the rifle in a safe direction.
 2. Engage the safety.
 3. Remove the magazine.
 4. Pull the charging handle to eject any chambered round.
 5. Visually inspect the chamber to ensure it is clear.

Disposal Instructions

- Dispose of the rifle in accordance with local laws and regulations.
- Do not dispose of the rifle in regular household waste.
- Contact your local firearms dealer or a licensed disposal service for proper disposal methods.

Contact Information for Further Support

- For any safety inquiries or issues regarding your FAL/SA58 rifle, please contact the manufacturer or an authorized dealer for assistance.

Thank you for your attention to these safety guidelines. Safe handling and responsible usage will help ensure a positive experience with your FAL/SA58 308 Winchester Traditional Profile Fixed Stock.
