## A Prefit Barrel Designed to Enhance Your Tikka T3X

Want a new caliber or a fresh barrel in your Tikka T3X? Don't worry, you won't have to make a special trip to the gunsmith to redo your rifle. Thanks to the unique system found in the International Barrels Pre-Fit Barrel system, barrel-swap jobs that used to be performed only by gunsmiths can now be done right in your workshop safely and easily! Each International Barrels Pre-Fit Tikka T3X precision barrel is constructed with a barrel-nut system that can be threaded onto your action right at home. Once the barrel is threaded into place, simply check its positioning with a set of headspace gauges and then tighten the barrel nut down to its proper torque settings. Then you're done! The easy attachment system of these International Barrels Pre-Fit Barrels isn't all you're getting. These gun barrels are button-rifled and are made to precision tolerances, double-checked at every step along the way. The barrels are made using the company's Medium contour, which features a straight taper from the breech to the muzzle. Each barrel is threaded with 5/8-24 TPI muzzle threads. The company warns that some stocks may need to be inlet to allow clearance for the barrel nut.

## Attributes

# Tikka T3X Prefit Precision Barrels Safety Instructions

## Introduction

Thank you for choosing the Tikka T3X Prefit Precision Barrel. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new barrel. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with firearm safety rules before handling or installing the barrel.
- Always treat firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition securely, away from children and unauthorized users.
- Wear appropriate safety gear, such as eye and ear protection, when using firearms.
- Regularly inspect your firearm and barrel for signs of wear or damage.
- Follow all local laws and regulations regarding firearms and ammunition.

## Specific Safety Precautions for Use

- Only use the Tikka T3X Prefit Precision Barrel with compatible Tikka models: T3, T3x, CTR, and TAC A1.
- Ensure that the barrel is properly installed and secured before using your firearm.
- Do not attempt to modify the barrel or firearm in any way that is not recommended by the manufacturer.
- Be aware that some stocks may require inletting to allow clearance for the barrel nut.
- Avoid using ammunition that is not specified for use with the 6 x 47 Lapua cartridge.
- If you experience any malfunction or unusual behavior during use, stop immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and safety equipment.
- Ensure your workspace is clean and welllit.

### 2. Barrel Installation:

- Remove the existing barrel from your Tikka T3X action according to the manufacturer's instructions.
- Thread the new International Barrels Prefit Barrel onto the action using the barrelnut system.
- Check the positioning of the barrel using a set of headspace gauges.
- Once the barrel is correctly positioned, tighten the barrel nut to the proper torque settings as specified by the manufacturer.

### 3. PostInstallation Checks:

- Verify that the barrel is securely attached and check for any signs of misalignment.
- Perform a thorough inspection of the firearm to ensure all components are functioning correctly.

### 4. Usage:

- Follow standard firearm handling procedures when using your Tikka T3X with the new barrel.

- Regularly clean and maintain the barrel according to the manufacturer's recommendations.

## **Disposal Instructions**

- Dispose of any damaged or worn barrels in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular trash.
- Contact local authorities or waste disposal services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Tikka T3X Prefit Precision Barrel, please consult the manufacturer's website or contact their support team for assistance.

Thank you for prioritizing safety and enjoying your Tikka T3X Prefit Precision Barrel responsibly.
