OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 1-4 ZEV Technologies
Optimized Match Barrels have been redesigned for improved performance and Gen 1-4 compatibility. Enhanced features include a recessed target crown, a new match chamber, and a stylized barrel hood with caliber and model engravings and a loaded chamber indicator. ZEV's proprietary broach cut 1 in 14" left hand twist rifling was developed to create the most accurate Glock® aftermarket barrel available, and testing confirms a significant increase in accuracy over factory barrels. Match Grade drop in barrel 1-14" twist rate SAAMI spec Match chambers. Safety Instruction Guide for OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14

Introduction

Thank you for choosing the OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14 by ZEV Technologies. This guide provides essential safety instructions to ensure the safe and effective use of your new barrel. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure you are familiar with the operation of your Glock® firearm before using this product.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Inspect the barrel for any damage before installation. Do not use if damaged.
- Use only ammunition that is compatible with your Glock® model.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Only use the OPTIMIZED MATCH BARREL with Glock® models 17 Gen 14 and Gen 5.
- Ensure the firearm is unloaded before installing or handling the barrel.
- Avoid using the barrel in wet or excessively humid conditions to prevent corrosion.
- Regularly clean and maintain the barrel to ensure optimal performance and safety.
- Be aware of potential hazards such as misfires or accidental discharges and follow safety protocols to mitigate these risks.

Instructions for Installation and Usage

1. Preparation

- Ensure you are in a safe environment, free from distractions.
- Gather necessary tools including a punch tool, hammer, and cleaning supplies.

2. Removing the Existing Barrel

- Ensure the firearm is unloaded.
- Disassemble the Glock® according to the manufacturer's instructions.
- Remove the existing barrel from the slide.

3. Installing the OPTIMIZED MATCH BARREL

- Carefully insert the OPTIMIZED MATCH BARREL into the slide.
- Ensure it is properly seated and aligned with the slide.
- Reassemble the Glock® according to the manufacturer's instructions.

4. Testing the Installation

- After reassembly, visually inspect the firearm to ensure everything is in place.
- Conduct a function check to ensure the firearm operates correctly with the new barrel.
- If any issues arise, consult a qualified gunsmith before use.

5. Usage

- Always wear appropriate eye and ear protection when using the firearm.
- Follow all safety protocols during shooting, including proper stance and target awareness.
- Regularly check the barrel for signs of wear or damage during use.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- Do not discard in regular household waste.
- If the barrel is damaged or no longer usable, consider contacting a local firearms dealer for proper disposal methods.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on responsible firearm handling and adherence to these instructions. Enjoy your enhanced shooting experience with the OPTIMIZED MATCH BARREL.
