OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 1-4 ZEV Technologies
Optimized Match Barrels have been redesigned for improved performance and Gen 1-4 compatibility. Enhanced features include a recessed target crown, a new match chamber, and a stylized barrel hood with caliber and model engravings and a loaded chamber indicator. ZEV's proprietary broach cut 1 in 14" left hand twist rifling was developed to create the most accurate Glock® aftermarket barrel available, and testing confirms a significant increase in accuracy over factory barrels. Match Grade drop in barrel 1-14" twist rate SAAMI spec Match chambers. Safety Instruction Guide for OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14 ZEV TECHNOLOGIES

Introduction

Thank you for choosing the OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14 by ZEV Technologies. This guide provides essential safety instructions to ensure the safe and effective use of your new barrel. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always ensure that the firearm is unloaded before handling or installing the barrel.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear before use.
- Do not modify the barrel in any way that is not specified by the manufacturer.
- Be aware of the legal requirements for firearm modifications in your jurisdiction.

Specific Safety Precautions for Use

- Use only compatible Glock® models (17, Gen 14) with this barrel.
- Ensure that you are using the appropriate ammunition (9 mm Luger) as specified.
- Always wear appropriate eye and ear protection when firing the firearm.
- If you experience any malfunctions or unusual behavior while using the firearm, cease use immediately and consult a qualified gunsmith.
- Keep the barrel clean and wellmaintained to ensure optimal performance and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the slide from the Glock® frame.
- Remove the factory barrel by pushing down on the recoil spring and pulling the barrel out.
- Insert the ZEV Technologies Optimized Match Barrel into the slide, ensuring it is seated properly.
- Reinstall the recoil spring and slide onto the frame.
- Perform a function check to ensure the firearm operates correctly.

2. Usage:

- Always follow safe firearm handling practices.
- Load the firearm only when you are ready to shoot.
- Aim in a safe direction and be aware of your surroundings.
- After firing, clean the barrel to maintain performance and prevent residue buildup.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations concerning hazardous materials and firearms components.
- Do not throw the barrel in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14, please refer to your retailer or the manufacturer's website for assistance and additional resources.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
