OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 1-4 ZEV Technologies
Optimized Match Barrels have been redesigned for improved performance and Gen 1-4 compatibility. Enhanced features include a recessed target crown, a new match chamber, and a stylized barrel hood with caliber and model engravings and a loaded chamber indicator. ZEV's proprietary broach cut 1 in 14" left hand twist rifling was developed to create the most accurate Glock® aftermarket barrel available, and testing confirms a significant increase in accuracy over factory barrels. Match Grade drop in barrel 1-14" twist rate SAAMI spec Match chambers. Safety Instruction Guide for OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14

Introduction

Thank you for purchasing the OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14 by ZEV Technologies. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read all instructions carefully before installation and use.

General Safety Guidelines

- Ensure the barrel is compatible with your Glock® model before installation.
- Always treat firearms and their components with respect. Follow all safety protocols for handling firearms.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Inspect the barrel for any visible damage before use. Do not use if damaged.
- Use only approved ammunition for your Glock® to avoid malfunction or injury.
- Follow local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Only install the barrel in a safe and controlled environment.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure the firearm is unloaded and pointed in a safe direction before beginning installation.
- Do not attempt to modify the barrel or any firearm components beyond the manufacturer's specifications.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles when firing.
- Regularly check for wear and tear on the barrel and other firearm components.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and safety equipment.
- Ensure your Glock® is unloaded and in a safe condition.

2. Installation Steps:

- Remove the factory barrel from the Glock® by following the manufacturer's guidelines.
- Insert the OPTIMIZED MATCH BARREL into the slide of the Glock®.
- Ensure that the barrel is seated properly and securely.
- Reassemble the Glock® according to the manufacturer's instructions.

3. Usage:

- Once installed, perform a function check to ensure the firearm operates correctly.
- Fire in a controlled environment, following all safety protocols.
- After use, clean the barrel according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the barrel and any associated components in accordance with local regulations.
- Consider recycling options for metal components where applicable.
- Do not dispose of the barrel in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product information, please reach out to ZEV Technologies or your authorized dealer. Ensure you have the product details at hand for efficient assistance.

This safety instruction guide complies with the EU General Product Safety Regulation (GPSR) and aims to provide you with the necessary information for safe use of the OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14. Please follow all instructions carefully and prioritize safety at all times.
