OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 1-4 ZEV Technologies  
Optimized Match Barrels have been redesigned for improved performance and Gen 1-4 compatibility. Enhanced features include a recessed target crown, a new match chamber, and a stylized barrel hood with caliber and model engravings and a loaded chamber indicator. ZEV's proprietary broach cut 1 in 14" left hand twist rifling was developed to create the most accurate Glock® aftermarket barrel available, and testing confirms a significant increase in accuracy over factory barrels. Match Grade drop in barrel 1-14" twist rate SAAMI spec Match chambers. # Safety Instruction Guide for OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14

## Introduction

Thank you for choosing the OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14 by ZEV Technologies. This guide provides essential safety instructions and information to ensure the safe use and maintenance of your product. Please read this manual carefully and keep it for future reference.

## General Safety Guidelines

- Ensure that all firearms and accessories are stored securely and out of reach of children.
- Always treat every firearm as if it were loaded.
- Use appropriate protective gear, such as safety glasses and hearing protection, when handling firearms.
- Follow all local laws and regulations regarding firearms and accessories.
- Regularly inspect your barrel for signs of wear or damage before use.
- If you notice any irregularities, do not use the barrel and seek professional assistance.

## Specific Safety Precautions for Use

- Only use the OPTIMIZED MATCH BARREL with GLOCK® 17 GEN 14 models.
- Ensure that the barrel is properly installed before use. Refer to the installation instructions below.
- Use only ammunition that is compatible with the GLOCK® 17, specifically 9 mm Luger cartridges.
- Avoid overloading your firearm beyond its specified limits.
- Do not modify the barrel or firearm in any way that could compromise safety.
- Always follow the manufacturer's recommendations for maintenance and cleaning.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Before starting, ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove Original Barrel:** Disassemble your GLOCK® 17 according to the manufacturer's instructions and remove the original barrel.
3. **Install the New Barrel:**
  - Insert the OPTIMIZED MATCH BARREL into the slide.
  - Ensure that the barrel is seated correctly and that it locks into place.
4. **Reassemble the Firearm:** Follow the manufacturer's guidelines to reassemble your GLOCK® 17.
5. **Function Check:** Perform a function check to ensure that the firearm operates correctly with the new barrel.

### Usage

- Always follow standard firearm safety rules during operation.
- Start with lowpressure ammunition to ensure compatibility with the new barrel.
- Regularly clean and maintain the barrel to ensure optimal performance.

## Disposal Instructions

- Dispose of the OPTIMIZED MATCH BARREL in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please consult the manufacturer's website or contact their customer service directly. Ensure that you have your product details at hand for efficient assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14. Always prioritize safety and stay informed about best practices in firearm handling and maintenance. Thank you for your commitment to safe firearm use.
