OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 1-4 ZEV Technologies
Optimized Match Barrels have been redesigned for improved performance and Gen 1-4 compatibility. Enhanced features include a recessed target crown, a new match chamber, and a stylized barrel hood with caliber and model engravings and a loaded chamber indicator. ZEV's proprietary broach cut 1 in 14" left hand twist rifling was developed to create the most accurate Glock® aftermarket barrel available, and testing confirms a significant increase in accuracy over factory barrels. Match Grade drop in barrel 1-14" twist rate SAAMI spec Match chambers. Safety Instruction Guide for OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14

Introduction

Thank you for choosing the OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14 from ZEV Technologies. This product is designed to enhance the performance of your Glock® pistol while ensuring safety and compliance with European regulations. Please read this guide carefully to understand how to use and maintain your barrel safely.

General Safety Guidelines

- Always handle firearms with care and treat them as if they are loaded.
- Ensure that the barrel is compatible with your Glock® model (Gen 14).
- Follow all local laws and regulations regarding firearms and their components.
- Store the barrel in a secure location, away from children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before each use.
- If you experience any issues or malfunctions, cease use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the barrel.
- Always wear appropriate eye protection when handling firearms.
- Do not attempt to modify the barrel or use it in a manner not intended by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use only ammunition that is compatible with the 9 mm Luger cartridge specification.

Instructions for Installation and Usage

1. Installation of the Barrel:

- Ensure the firearm is completely unloaded.
- Remove the slide from the frame according to the manufacturer's instructions.
- Remove the factory barrel from the slide.
- Insert the ZEV Technologies Optimized Match Barrel into the slide, ensuring it is seated properly.
- Reassemble the slide onto the frame, ensuring all components are aligned correctly.

2. Usage:

- After installation, perform a function check to ensure the barrel operates correctly with the slide.
- When ready to shoot, load the firearm with the appropriate ammunition.
- Follow standard shooting practices and ensure you have a clear line of sight and a safe backstop.

3. PostUse Care:

- Clean the barrel regularly according to firearms maintenance guidelines.
- Inspect the barrel for any signs of wear, damage, or fouling after each use.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearms components.
- Do not dispose of the barrel in regular household waste.
- Consider recycling options if available, or consult a local firearms dealer for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding your OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 14, please consult the manufacturer's website or contact their support team directly.

By following these guidelines, you can ensure the safe and effective use of your ZEV Technologies Optimized Match Barrel. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
