OPTIMIZED MATCH BARREL FOR GLOCK® 17 GEN 1-4 ZEV Technologies
Optimized Match Barrels have been redesigned for improved performance and Gen 1-4 compatibility. Enhanced features include a recessed target crown, a new match chamber, and a stylized barrel hood with caliber and model engravings and a loaded chamber indicator. ZEV's proprietary broach cut 1 in 14" left hand twist rifling was developed to create the most accurate Glock® aftermarket barrel available, and testing confirms a significant increase in accuracy over factory barrels. Match Grade drop in barrel 1-14" twist rate SAAMI spec Match chambers. Safety Instruction Guide for ZEV Technologies Optimized Match Barrel for Glock® 17 Gen 14

Introduction

Thank you for purchasing the ZEV Technologies Optimized Match Barrel for Glock® 17 Gen 14. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the barrel is compatible with your specific Glock® model (Gen 14).
- Always handle firearms with care and follow all safety protocols.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear.
- Use only recommended ammunition types as specified by the manufacturer.
- Always wear appropriate eye and ear protection when using firearms.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and the chamber is empty.
- Avoid using the firearm in wet or damp conditions, as moisture can affect performance.
- Do not modify the barrel or any other components of the firearm beyond the manufacturer's specifications.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always follow the manufacturer's instructions for maintenance and cleaning.

Instructions for Installation and Usage

Installation

1. Ensure that your Glock® 17 is unloaded and pointed in a safe direction.
2. Remove the factory barrel from your Glock® by following the manufacturer's instructions.
3. Carefully insert the ZEV Technologies Optimized Match Barrel into the slide.
4. Ensure that the barrel is properly seated and locked in place.
5. Reassemble the firearm as per the manufacturer's guidelines.

Usage

- Always check that the barrel is securely installed before firing.
- Load the firearm only when you are ready to shoot.
- Maintain a proper shooting stance and grip.
- After use, clean the barrel as per the manufacturer's maintenance instructions.

Disposal Instructions

- Dispose of the barrel and any associated components in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's website or contact their customer support.

Thank you for prioritizing safety and compliance with these guidelines. Your responsible use of the ZEV Technologies Optimized Match Barrel contributes to a safer shooting experience.
