A Leg-Strap Kit for Your Modular Holster Adapter

MODULAR HOLSTER ADAPTER LEG STRAP KIT Leg-strap holsters have been around since the late 1800s for good reason. Moving a holster off the waist down to the leg gives professionals more real estate to carry other essential gear without preventing easy access to their dedicated defensive arm. You can take advantage of this access by using the Modular Holster Adapter Leg Strap Kit from True North Concepts. Most drop-leg holsters use two leg straps that provide a mid-level ride for a holstered pistol that's low enough to stay clear of body armor, gear belts, and vest pouches. However, the True North Concepts Modular Holster Adapter Leg Strap Kit gives you a unique level of versatility by allowing you to fine-tune where the leg strap sits on your thigh. This enables you to choose the best position for your body and allows you to create a custom solution for your tactical loadout. The True North Concepts Modular Holster Adapter Leg Strap Kit features a 36-inch MIL-W-5664 Type 2 Class 1 Nylon elastic webbing strap complete with a mil-spec thread and Berry-compliant sewing. The DFARS Grade 6061-T6 aluminum adapter bracket is compatible with a number of other popular straps on the market, like those offered from Safariland, Blackhawk, and Ronin Tactics. The kit is available in black or multicam.

Modular Holster Adapter Leg Strap Kit Safety Instructions

Introduction

Thank you for choosing the Modular Holster Adapter Leg Strap Kit by True North Concepts. This product is designed to provide a reliable and adjustable solution for carrying your holstered pistol while ensuring easy access to your gear. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Modular Holster Adapter Leg Strap Kit by following all instructions provided in this manual.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Visit the EU Safety Gate platform for updates.
- **Online Shopping Safety:** When purchasing this product online, make sure you buy from reputable retailers that comply with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries related to this product, please refer to the contact information provided by your retailer.
- **Rapid Alerts:** Be aware that updates on unsafe products can be found through the Safety Gate system.

Specific Safety Precautions for Use

- **Check for Damage:** Before each use, inspect the leg strap and adapter for any signs of wear or damage. Do not use if damaged.
- **Proper Fit:** Ensure that the leg strap is properly adjusted to fit securely on your thigh. An improper fit could lead to loss of control over your holstered weapon.
- **Weight Distribution:** Be mindful of the weight distribution of your gear. Overloading the leg strap can affect stability and comfort.
- **Avoid Obstructions:** Ensure that the leg strap and holster do not interfere with your movement or other gear, such as body armor or tactical belts.
- **Training:** Familiarize yourself with the operation of the holster and leg strap before engaging in any tactical activities.

Instructions for Installation and Usage

1. **Unpack the Kit:** Carefully remove the Modular Holster Adapter Leg Strap Kit from the packaging.
2. **Inspect Components:** Check all components for any signs of damage or missing parts.
3. **Adjust the Leg Strap:**
 - Loosen the strap to allow for easy adjustment.
 - Place the strap around your thigh and pull it snugly.
 - Secure the strap using the provided fastening mechanism.
4. **Attach the Holster:**
 - Align the holster with the adapter bracket.
 - Ensure that it is securely attached and locked in place.
5. **Test the Setup:**
 - Stand and move around to ensure the holster and leg strap are secure and comfortable.
 - Make any necessary adjustments to the strap for optimal fit.
6. **Final Check:** Before use, doublecheck that all components are secure and functioning correctly.

Disposal Instructions

- **Recycling:** Dispose of any packaging materials in accordance with local recycling guidelines.
- **Product Disposal:** When the product reaches the end of its life cycle, dispose of it in accordance with local waste disposal regulations. Do not dispose of in regular trash if it contains any hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the Modular Holster Adapter Leg Strap Kit, please consult the retailer from whom you purchased the product. They can provide you with additional information and support.

Thank you for your attention to these safety instructions. Enjoy using your Modular Holster Adapter Leg Strap Kit responsibly and safely.
