

# DAKA LARGE VOLUME POUCHES - MAGPUL LARGE VOLUME POUCH, BLACK

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Pouches](#)

## A Larger DAKA Pouch For All Your Storage Needs

Magpul's lineup of DAKA Pouches have been huge hits, giving you the ability to store nearly anything inside of a water-resistant, durable container that protects your gear when you're out. Now, the three-liter DAKA Pouch has been outsized by its six-liter sibling, giving you more room and versatility than ever before when it comes to storing your goods. This six-liter Magpul DAKA large-volume pouch is big enough that it can stand on its own, which makes it easier for you to fill it up. The pouch features a widened mouth, along with a water-resistant zipper, and it's designed to enable easy one-handed access, so you won't have to keep it open while you're adding or removing items. The pouch features a translucent window, so you can keep track of what you have stored in which pouch without having to open them up. Each Magpul DAKA pouch is made from a polymer-infused fabric that's water-resistant and RF-welded along the seams for added durability. The fabric is chemical-resistant, too, and there are two separate carabiner-attachment points that allow you to hang the pouch from your pack. A paint-pen dot matrix is pressed into the body, ensuring you have an easy way to organize and track your pouches.

# DAKA LARGE VOLUME POUCHES MAGPUL LARGE VOLUME POUCH, BLACK Safety Instruction Guide

## Introduction

Thank you for choosing the DAKA Large Volume Pouch by Magpul. This product is designed to provide you with a durable, waterresistant container for storing various items. To ensure your safety and the optimal use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose.
- Regularly inspect the pouch for any signs of damage or wear.
- Do not use the pouch for storing food or perishable items.
- Keep the pouch away from extreme temperatures, direct sunlight, and sharp objects.
- Store the pouch in a dry place to maintain its waterresistant properties.
- If the pouch becomes damaged, discontinue use immediately and dispose of it properly.

## Specific Safety Precautions for Use

- Always ensure that the zipper is fully closed before transporting the pouch.
- Avoid overfilling the pouch to prevent strain on the seams and zipper.
- When using the carabiner attachment points, ensure they are securely fastened to prevent accidental detachment.
- Keep the pouch out of reach of children to avoid choking hazards from small parts such as the zipper pulls.
- If using the pouch in wet conditions, ensure that the contents are also waterresistant or waterproof to prevent damage.

## Instructions for Installation and Usage

### 1. Filling the Pouch:

- Open the pouch by unzipping the waterresistant zipper.
- Place items inside the pouch, ensuring not to exceed the recommended capacity.
- Close the zipper securely after filling the pouch.

### 2. Attaching the Pouch:

- Use the carabiner attachment points to hang the pouch from your backpack or other gear.
- Ensure that the attachment is secure and that the pouch is not at risk of falling.

### 3. Accessing Contents:

- To access items inside the pouch, unzip the waterresistant zipper.
- Use one hand to hold the pouch steady while using the other hand to retrieve or store items.

### 4. Cleaning the Pouch:

- Wipe the exterior with a damp cloth to remove dirt and debris.
- Avoid using harsh chemicals or abrasive cleaners that may damage the fabric.

### 5. Storage:

- When not in use, store the pouch in a cool, dry place.
- Ensure the pouch is completely dry before storage to prevent mold and mildew.

## **Disposal Instructions**

- If the pouch is no longer usable, dispose of it in accordance with local waste disposal regulations.
- Do not incinerate the pouch, as it may release harmful fumes when burned.
- Consider recycling options for any components that may be recyclable.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the DAKA Large Volume Pouch, please contact the manufacturer or refer to the product packaging for additional information.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your DAKA Large Volume Pouch. Always prioritize safety and maintenance to extend the life of your pouch and protect your belongings. Thank you for your attention to these guidelines.
