

DAKA LARGE VOLUME POUCHES - MAGPUL LARGE VOLUME POUCH, FLAT DARK EARTH

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Pouches](#)

A Larger DAKA Pouch For All Your Storage Needs

Magpul's lineup of DAKA Pouches have been huge hits, giving you the ability to store nearly anything inside of a water-resistant, durable container that protects your gear when you're out. Now, the three-liter DAKA Pouch has been outsized by its six-liter sibling, giving you more room and versatility than ever before when it comes to storing your goods. This six-liter Magpul DAKA large-volume pouch is big enough that it can stand on its own, which makes it easier for you to fill it up. The pouch features a widened mouth, along with a water-resistant zipper, and it's designed to enable easy one-handed access, so you won't have to keep it open while you're adding or removing items. The pouch features a translucent window, so you can keep track of what you have stored in which pouch without having to open them up. Each Magpul DAKA pouch is made from a polymer-infused fabric that's water-resistant and RF-welded along the seams for added durability. The fabric is chemical-resistant, too, and there are two separate carabiner-attachment points that allow you to hang the pouch from your pack. A paint-pen dot matrix is pressed into the body, ensuring you have an easy way to organize and track your pouches.

DAKA Large Volume Pouches Safety Instructions

Introduction

Thank you for choosing the DAKA Large Volume Pouches by Magpul. These pouches are designed to provide a durable and waterresistant solution for storing your gear. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use as intended. Ensure that you use the pouches only for their designated purpose.
- **Enhanced Recalls:** Stay informed about any recalls associated with this product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If you purchased this product online, ensure that the seller complies with safety regulations similar to those required in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children without adult supervision. Keep it out of reach of young children to prevent accidents.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by the manufacturer or retailer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the pouch's capacity. Overloading may cause damage to the pouch or make it difficult to use.
- **Check for Damage:** Before each use, inspect the pouch for any signs of wear or damage. Do not use if the pouch is compromised.
- **Keep Away from Sharp Objects:** Avoid placing sharp objects inside the pouch that may puncture or tear the material.
- **Use in Appropriate Conditions:** While the pouch is waterresistant, avoid prolonged exposure to heavy rain or submersion in water.
- **Chemical Safety:** Although the fabric is chemicalresistant, avoid storing corrosive substances that may damage the pouch or pose a risk to safety.
- **Secure Attachment:** When using the carabinerattachment points, ensure that the pouch is securely fastened to your pack to prevent it from falling.

Instructions for Installation and Usage

1. Filling the Pouch:

- Open the waterresistant zipper carefully.
- Fill the pouch with items, ensuring not to exceed the sixliter capacity.
- Utilize the widened mouth for easy access during filling.

2. Accessing Items:

- To retrieve items, unzip the pouch and reach inside.
- Use one hand to hold the pouch open while using the other hand to access your items.

3. Hanging the Pouch:

- Use the two carabinerattachment points to hang the pouch from your pack or another secure location.

- Ensure the attachment is secure and check it regularly during use.

4. **Organizing Contents:**

- Utilize the paintpen dot matrix on the pouch body to label and organize your items.
- Keep track of what is stored in each pouch to avoid unnecessary opening.

Disposal Instructions

- **Proper Disposal:** When the pouch reaches the end of its life or is no longer usable, dispose of it in accordance with local waste disposal regulations.
- **Recycling:** If applicable, consider recycling the pouch or its materials to minimize environmental impact.

Contact Information for Further Support

For any questions regarding the DAKA Large Volume Pouches, please refer to the manufacturer or retailer's contact information provided with your purchase.

By following these safety instructions, you can ensure the proper use and longevity of your DAKA Large Volume Pouches while adhering to the EU General Product Safety Regulation. Thank you for your attention to safety.
