

MIDAS HMR 2.5-15X50MM SFP ILLUMINATED RIFLE SCOPE - MIDAS HMR 2.5-15X50MM SFP ILLUMINATED AHMR MOA RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Attention all hunters! We have great news for you! We would like to introduce the Midas HMR Second Focal Plane Rifle Scope line made by hunters, for hunters. HD Glass and advanced fully multi-coated optics deliver crisp, bright images for taking a shot, near or far. The one piece tube, precision-machined from aircraft-grade aluminum delivers precise, accurate results all day long. Both elevation and windage turrets are capped to make sure nothing gets bumped after you set your zero. The Midas HMR riflescope is available in two illuminated reticle options: MOA and BDC.

MIDAS HMR 2.515X50MM SFP ILLUMINATED RIFLE SCOPE Safety Instruction Guide

Introduction

Thank you for choosing the MIDAS HMR 2.515X50MM SFP Illuminated Rifle Scope. This guide provides essential safety instructions to ensure the safe use and maintenance of your rifle scope. Please read this guide carefully before use to maximize your safety and enjoyment.

General Safety Guidelines

- Always treat your rifle scope as if it is loaded.
- Ensure that you are in a safe environment before handling the scope.
- Keep the rifle scope out of the reach of children and unauthorized users.
- Regularly inspect the scope for damage or wear.
- Follow all local laws and regulations regarding the use of firearms and hunting equipment.
- Ensure proper training and knowledge of firearm safety before using the rifle scope.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper handling can lead to accidental discharge of the firearm.
 - Using the scope in adverse weather conditions may impair visibility.
 - Failure to secure the scope properly may lead to damage or misalignment.
- **Avoiding Hazards:**
 - Always ensure that the firearm is pointed in a safe direction when attaching or detaching the scope.
 - Do not use the scope in heavy rain, fog, or other conditions that may obstruct visibility.
 - Make sure the scope is securely mounted to the rifle before use.
- **Age Specific Warnings:**
 - This product is intended for use by adults. Do not allow children to handle or use the scope without adult supervision.
 - Ensure that any inexperienced users receive proper instruction on how to use the scope safely.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is unloaded and pointed in a safe direction.
 2. Mount the scope onto the rifle using the provided mounting rings.
 3. Adjust the scope to ensure it is level and secure before tightening the mounting screws.
 4. Check that the scope is properly aligned with the rifle's barrel.
- **Usage:**
 - To adjust the magnification, rotate the magnification ring until the desired level is reached.
 - Use the elevation and windage turrets to zero the scope according to your shooting distance.
 - Activate the illumination feature by pressing the designated button; adjust brightness as needed.
 - Maintain a proper eye relief of 3.90 inches to avoid injury when firing the rifle.
 - Always verify your zero before heading out for a hunt.

Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations.
- Do not dispose of the scope in regular household waste.
- If the scope is damaged beyond repair, contact your local waste management facility for proper disposal.

methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information included with your product packaging.

Thank you for your attention to these safety instructions. Enjoy your experience with the MIDAS HMR 2.515X50MM SFP Illuminated Rifle Scope, and always prioritize safety.
