

# MIDAS HMR 2.5-15X50MM SFP ILLUMINATED RIFLE SCOPE - MIDAS HMR 2.5-15X50MM SFP ILLUMINATED BDC 600A RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Attention all hunters! We have great news for you! We would like to introduce the Midas HMR Second Focal Plane Rifle Scope line made by hunters, for hunters. HD Glass and advanced fully multi-coated optics deliver crisp, bright images for taking a shot, near or far. The one piece tube, precision-machined from aircraft-grade aluminum delivers precise, accurate results all day long. Both elevation and windage turrets are capped to make sure nothing gets bumped after you set your zero. The Midas HMR riflescope is available in two illuminated reticle options: MOA and BDC.

# MIDAS HMR 2.515X50MM SFP ILLUMINATED RIFLE SCOPE Safety Instruction Guide

## Introduction

Thank you for choosing the MIDAS HMR 2.515X50MM SFP ILLUMINATED RIFLE SCOPE. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your rifle scope. Please read this information carefully before use.

## General Safety Guidelines

- Always handle the rifle scope with care to prevent damage.
- Ensure that the rifle scope is used only by individuals who are trained in firearm safety and operation.
- Keep the rifle scope out of reach of children and unauthorized users.
- Regularly inspect the rifle scope for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearms and optical devices.

## Specific Safety Precautions for Use

- Always ensure the rifle is pointed in a safe direction when attaching or detaching the scope.
- Make sure the rifle is unloaded before installing or adjusting the scope.
- Do not look directly at the sun through the scope, as this can cause serious eye damage.
- Avoid using the scope in extreme weather conditions that may affect its performance.
- If the scope becomes damaged or malfunctions, discontinue use immediately and seek professional assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded.
- Use the provided mounting rings to attach the scope securely to the rifle's rail.
- Align the scope properly for optimal viewing. The reticle should be level with the rifle.
- Tighten the mounting screws securely but avoid overtightening, which can damage the scope.

### 2. Usage:

- Adjust the magnification by rotating the magnification ring.
- To use the illuminated reticle, locate the illumination control and adjust to the desired brightness.
- Use the elevation and windage turrets to zero the scope according to your shooting preferences.
- Always check your zero before engaging in any shooting activities.

## Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations.
- If the scope contains batteries, ensure they are removed and disposed of properly.
- Do not dispose of the scope in regular household waste. Check for local recycling programs or hazardous waste disposal methods.

## Contact Information for Further Support

For any questions regarding safety, usage, or technical support for the MIDAS HMR 2.515X50MM SFP

ILLUMINATED RIFLE SCOPE, please refer to the manufacturer's contact information provided with the product packaging.

This safety instruction guide is designed to help you use your MIDAS HMR rifle scope safely and effectively. Adhering to these guidelines will enhance your shooting experience while ensuring the safety of yourself and those around you. Thank you for your attention to these important safety measures.
