

TS-6X 1-6X24MM ILLUMINATED RIFLE SCOPE - 1-6X24MM SFP ILLUMINATED SIMPLE CROSSHAIR RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

An Incredibly Versatile Optic for Your Do-It-All Rifle

Having a true 1X optic on your dedicated defensive or field-ready rifle gives you a great advantage at closer ranges, as well as opens up a wide field of view that provides great clarity about what's happening downrange. The US Optics TS-6X offers that low-power magnification in its 1-6x24mm configuration, giving you an expansive range that will handle any rapid targeting in short-to-medium ranges. The US Optics TS-6X is built on a solid 30mm main body tube, which ensures added ruggedness, as well as greater adjustment range for both elevation and windage. The optic features an illuminated reticle, powered by a single CR2032 battery. Available reticles include options in the first and second focal plane and the company's JNG MIL configurations. Length: 10.5 inches Tube size: 30mm Weight: 17.9 ounces Adjustment value: 1/4 MOA Each reticle choice in the US Optics TS-6X features a brightly illuminated center dot that offers quick target acquisition at short ranges, as well as a clearly seen aiming point for low-light use.

Attributes

- Name: [1-6X24MM SFP ILLUMINATED SIMPLE CROSSHAIR RETICLE BLACK](#)
- Manufacturer: [US OPTICS](#)
- Product no.: 100042230
- Mfr. No.: TS-6X SFP
- Battery: CR-2032
- Click Value: 1/4 MOA
- Click Value: 1/4 MOA
- Eye Relief: 3.75"
- Finish: Black
- Focal Plane: Second
- Illumination: Yes
- Length: 10.5"
- Max Magnification: 6x
- Min. Magnification: 1x
- Model Number: TS-6X
- Objective Size: 24mm
- Tube Size: 30mm
- Weight: 17.9 oz
- Delivery weight: 2.381kg
- Shipping height: 102mm
- Shipping width: 133mm
- Shipping length: 330mm
- UPC: 811069021659

Item details

This product contains a battery.
US export classification: 0A504.a

Safety Instruction Guide for TS6X 16X24MM Illuminated Rifle Scope

Introduction

Thank you for choosing the TS6X 16X24MM Illuminated Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your rifle scope. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure safe use of the rifle scope by following all instructions provided in this guide.
- Be aware of potential hazards, including but not limited to, improper installation, misuse, and failure to maintain the scope.
- Always store the rifle scope in a secure location, away from children and unauthorized users.
- Regularly check for any recalls or safety alerts related to the product on the EU's Safety Gate platform.
- If you encounter any unsafe conditions or incidents, report them to the appropriate authorities immediately.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the rifle scope to prevent injury from recoil or debris.
- **Proper Handling:** Handle the rifle scope with care. Avoid dropping or striking it against hard surfaces to prevent damage.
- **Environment:** Do not use the rifle scope in adverse weather conditions that may impair visibility or safety.
- **Illumination:** The illuminated reticle is designed for lowlight conditions. Do not use excessive brightness, as it may cause temporary blindness or discomfort.
- **Battery Safety:** Use only the specified CR2032 battery. Follow proper disposal methods for used batteries to prevent environmental harm.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Mount the scope onto the rifle using the appropriate rings and bases, ensuring it is securely fastened.
- Adjust the scope to the desired position for optimal eye relief (3.75 inches).
- Tighten all mounting screws according to the manufacturer's specifications.

2. Usage:

- Adjust the magnification settings from 1x to 6x as needed for your shooting conditions.
- To activate the illuminated reticle, turn the illumination dial. Adjust the brightness to suit your environment.
- Utilize the 1/4 MOA click adjustments for windage and elevation to zero in your scope effectively.
- Always ensure that the rifle is stable and supported when aiming and shooting.

Disposal Instructions

- Dispose of the rifle scope responsibly at the end of its life cycle.
- Do not dispose of the scope in regular household waste.
- Check local regulations for proper disposal methods for optical devices and batteries.
- Consider recycling the scope and battery at designated facilities to minimize environmental impact.

Contact Information for Further Support

For additional support or inquiries regarding safety and usage, please refer to the official contact points as provided by the manufacturer. Ensure that you keep your purchase details on hand for reference.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your TS6X 16X24MM Illuminated Rifle Scope. Thank you for your attention to safety.
