GGP17 Match Grade Barrels for Glock® 17 Gen 14

Safety Instruction Guide

Introduction

Thank you for purchasing the GGP17 Match Grade Barrel for Glock® 17 Gen 14. This guide provides important safety instructions to ensure the safe and effective use of your new barrel. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that all firearms are treated as if they are loaded at all times.
- Always point the firearm in a safe direction.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition securely and out of reach of children.
- Regularly inspect your barrel and firearm for signs of wear or damage.
- Only use ammunition that is specified for your firearm.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- Follow all local, state, and federal laws regarding firearm ownership and usage.

Specific Safety Precautions for Use

- The GGP17 barrel is designed for use in Glock® 17 models Gen 14 only. Do not attempt to use it in other models.
- Ensure that the barrel is properly installed and secured before using the firearm.
- Do not modify the barrel in any way, as this may compromise safety and performance.
- Always wear appropriate eye and ear protection when shooting.
- If you experience any malfunctions or unusual behavior while using your firearm, stop using it immediately and have it inspected by a qualified gunsmith.
- Be cautious of hot surfaces after firing, as the barrel can become extremely hot.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch tool and a cleaning cloth.

2. Remove the Existing Barrel:

- Disassemble the Glock® 17 according to the manufacturer's instructions.
- Remove the existing barrel by pushing out the retaining pin and gently pulling it out of the slide.

3. Install the GGP17 Barrel:

- Clean the slide and ensure there is no debris.
- Insert the GGP17 barrel into the slide, ensuring it aligns correctly.
- Push the retaining pin back into place to secure the barrel.

4. Reassemble the Firearm:

- Follow the manufacturer's instructions to reassemble the Glock® 17.

- Perform a function check to ensure everything operates correctly.

Usage Instructions

- Load the firearm only when you are ready to shoot.
- Always check the barrel and chamber for obstructions before loading.
- Use only highquality 9mm ammunition that meets SAAMI specifications.
- Maintain a proper grip and stance when firing to ensure accuracy and control.
- After use, clean the barrel and firearm according to the manufacturer's maintenance guidelines.

Disposal Instructions

- Dispose of the barrel and any associated components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact a local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the GGP17 Match Grade Barrel, please reach out to your retailer or manufacturer for assistance. Always ensure that you are using genuine products and follow all safety guidelines provided by the manufacturer.

By following these safety instructions, you can help ensure a safe and enjoyable shooting experience with your GGP17 Match Grade Barrel. Thank you for your commitment to safety.
