GGP17 Match Grade Barrels for Glock® 17 Gen 14

Safety Instruction Guide

Introduction

Thank you for choosing the GGP17 Match Grade Barrel for your Glock® 17. This product is designed to provide enhanced accuracy and performance. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms with care and treat them as if they are loaded.
- Ensure that you are familiar with your firearm's operation and safety features.
- Store the barrel and all firearm components in a secure location, away from children and unauthorized users.
- Use only compatible ammunition as specified by the manufacturer.
- Regularly inspect the barrel for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or failure.
- Using incompatible ammunition can cause serious injury or damage.
- Failure to follow safety guidelines may result in accidents.

- **Instructions for Avoiding Hazards:**

- Always ensure the firearm is unloaded before installation.
- Follow all manufacturer instructions for installation and use.
- Do not modify the barrel or firearm in any way that is not recommended by the manufacturer.
- Keep the barrel and firearm clean and free of obstructions.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals aged 18 and older.
- Ensure that minors are supervised by a responsible adult when handling firearms.

Instructions for Installation and Usage

- **Installation:**

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the factory barrel from the Glock® 17 according to the manufacturer's instructions.
3. Insert the GGP17 barrel into the slide, ensuring it is properly seated.
4. Reassemble the slide and frame of the firearm as per Glock® specifications.
5. Perform a function check to ensure proper operation.

- **Usage:**

- Use only 9mm Luger ammunition that meets SAAMI specifications.

- Regularly clean the barrel to maintain performance and safety.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.

Disposal Instructions

- Dispose of the barrel and any related components in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact local authorities or waste management facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the GGP17 Match Grade Barrel, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety and compliance while using the GGP17 Match Grade Barrel for your Glock® 17. Enjoy enhanced performance and accuracy with your firearm.
