

# SIG P320 COMPACT VERSION 1 SLIDES - GREY GHOST PRECISION

## SIG P320 COMPACT SLIDE V1 FDE CERAKOTE

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

The adoption of the P320® platform by the U.S. Military, as well as many Law Enforcement agencies, professional lead farmers, competition shooters, and firearm instructors led to the development of a new line of GGP aftermarket slides. After all, the P320's ability to be custom tailored to the individual user's preferences in grip length, grip size, as well as slide length and sight radius are all highly desirable features. Why stop there, when you can have even more customization options when upgrading to a drop-in GGP320 slide. Just like their GGP17/19 and SPG43 slides, these GGP320 slides offers enhanced aesthetic features, increased grip serrations and an improved coating without compromising function. Hybrid MRDS optics cut now allows the use of Sig ROMEO1, Trijicon RMR or Leupold DeltaPoint PRO footprint optics. The GGP320 is a drop-in install that comes with all the enhancements that professional handgun shooters have come to expect from Grey Ghost Precision. FEATURES: Machined from 416 Stainless Steel Available in Black and Grey DLC (Diamond Like Coating) or FDE Cerakote Optic cut compatible with Leupold DPP, Trijicon RMR and SIG Romeo1 with supplied screws and shim plates Includes G10 Cover Plate when not running an optic Compatible with SIG P320® Compact and Carry grip modules Optics not included Completion parts not included Please Note : All sights should be installed by a gunsmith

# Safety Instruction Guide for SIG P320 Compact Version 1 Slides

## Introduction

Thank you for choosing the SIG P320 Compact Version 1 Slides by Grey Ghost Precision. This guide provides essential safety instructions to ensure the safe use and handling of your new product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the slide is compatible with your SIG P320® Compact or Carry grip modules.
- Keep firearms and ammunition out of the reach of children and unauthorized users.
- Use the product only as intended and in accordance with all applicable laws and regulations.
- Regularly inspect the slide for wear and damage before use.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Ensure that all sights are installed by a qualified gunsmith to prevent accidents.
- Do not modify the slide or any other firearm components without professional guidance.
- When using optics, ensure they are securely mounted and compatible with the optic cut.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing slide from your SIG P320®.
- Align the GGP320 slide with the frame and gently slide it into place.
- Secure all components, ensuring that the slide is correctly seated.

### 2. Usage:

- After installation, perform a function check to ensure everything operates correctly.
- Load your firearm only when you are ready to shoot.
- Follow all local laws regarding firearm usage and transport.

### 3. Optics Installation:

- If using optics, refer to the specific installation instructions provided with your optic.
- Use the supplied screws and shim plates for secure mounting.
- Test the optic for stability before use.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product is damaged beyond repair, dispose of it responsibly to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please contact the manufacturer directly. Ensure you have your product details on hand for reference.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your SIG P320 Compact Version 1 Slides responsibly.
