Safety Instruction Guide for Badger Ordnance MK 12 Style ClampOn Gas Manifold

Introduction

Thank you for choosing the Badger Ordnance MK 12 Style ClampOn Gas Manifold. This product is designed for safe and effective use with your firearm. Please read this safety instruction guide carefully to understand how to use and maintain this product safely.

General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding firearms and firearm accessories before using this product.
- Always handle firearms with care and ensure they are unloaded when installing or adjusting accessories.
- Use personal protective equipment (PPE) such as safety glasses and gloves while installing or using the gas manifold.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before each use.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- The gas manifold is designed for use with barrels of .875" diameter. Ensure compatibility before installation.
- Do not exceed the recommended torque when fastening the screws to avoid damaging the manifold or barrel.
- Avoid using the gas manifold in extreme environmental conditions that may affect its performance.
- Do not modify the gas manifold in any way, as this may compromise safety and performance.
- Always follow the manufacturer's guidelines for maintenance and care.

Instructions for Installation and Usage

Installation Instructions

1. Gather the necessary tools: You will need two #6 socket head cap screws and an appropriate wrench.
2. Ensure the firearm is unloaded and the chamber is clear.
3. Position the gas manifold around the barrel, ensuring it is aligned correctly.
4. Insert the #6 socket head cap screws into the designated holes on the manifold.
5. Tighten the screws gradually and evenly to secure the manifold to the barrel. Do not overtighten.
6. Perform a visual inspection to ensure the manifold is securely attached.

Usage Instructions

- After installation, conduct a function check to ensure the gas manifold operates correctly with your firearm.
- Regularly check the manifold for any signs of loosening or wear during use.
- Clean the gas manifold as per the manufacturer's recommendations to maintain optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and firearm accessories.
- If the product is damaged or no longer functional, ensure it is disposed of safely to prevent injury to others.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the Badger Ordnance MK 12 Style ClampOn Gas Manifold, please refer to the manufacturer's website or contact their customer support.

By following these guidelines, you can ensure safe and effective use of your Badger Ordnance MK 12 Style ClampOn Gas Manifold. Thank you for prioritizing safety and compliance with regulations.
