WWSD 2021 Complete Lower Receiver Safety Instructions

Introduction

Thank you for choosing the WWSD 2021 Complete Lower Receiver by KE Arms. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this manual thoroughly before installation and usage.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding firearm ownership and usage.
- Always treat the lower receiver and any firearm as if it is loaded.
- Keep the lower receiver and all firearm components out of reach of children and unauthorized users.
- Inspect the product before each use to ensure there are no visible defects or damage.
- Do not modify the lower receiver or its components unless you are a qualified gunsmith.
- Store the lower receiver in a secure location when not in use.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.

Specific Safety Precautions for Use

- Ensure that the Rekluse trigger and other components are properly installed according to the manufacturer's instructions.
- Be aware of the full power hammer spring in the Rekluse trigger; improper handling could result in accidental discharge.
- Use only compatible ammunition as specified by the manufacturer to avoid malfunctions.
- Avoid using the lower receiver in adverse weather conditions, such as heavy rain or snow, which may affect performance.
- Regularly clean and maintain the lower receiver to prevent buildup of dirt and debris.
- If you experience any malfunctions or unusual behavior, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have the necessary tools and a clean workspace.
- Carefully follow the installation instructions provided by KE Arms for the lower receiver and the Rekluse trigger.
- Ensure that all components are securely fastened and properly aligned.
- After installation, perform a function check to verify that all parts operate smoothly.

2. Usage:

- Ensure the firearm is pointed in a safe direction at all times.
- Load the firearm only when you are ready to shoot.
- Maintain a firm grip on the firearm while firing to control recoil.
- Keep your finger off the trigger until you are ready to fire.
- After firing, ensure the firearm is unloaded and safe before handling or storing.

Disposal Instructions

- Dispose of the lower receiver and any associated parts in accordance with local regulations regarding hazardous materials.
- Do not discard any parts in regular household waste.
- Consult local waste management authorities for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding safety concerns, please refer to the contact details provided with your product packaging or on the manufacturer's website.

Conclusion

By following these safety instructions and guidelines, you help ensure a safe and enjoyable experience with your WWSD 2021 Complete Lower Receiver. Always prioritize safety and responsibility when handling firearms. Thank you for your commitment to safe firearm practices.
