

AR-15 .22LR S&W M&P™ 15-22 CLIP ON MAGAZINE ADAPTER - AR CATCH22 AR-15 .22LR S&W M&P 15-22 CLIP-ON MAGAZINE ADAPTER

The Catch22 clip-on magazine shim can clip right onto your Mil-Spec AR-15 lower receiver for a quick and easy way to shim S&W 15-22 magazines and take up the slack in the mag well. The clip is easy to install and remove and it allows you to use your standard S&W 15-22 magazines in your AR without any modification. With the 15-22 magazine adapters, the S&W 15-22 magazine will work great with the Catch22 V1 or V2 to provide true last-round-hold-open functionality. If you are using a Kriss Defiance DMK22 which already comes with a bolt catch, you can use these adapters to use the 15-22 magazines instead of the Kriss magazines. This can be helpful as the 15-22 magazines are more consistent for bolt-hold-open and they come in higher capacity than the Kriss magazines. One adapter is needed per lower.

Safety Instruction Guide for AR15 .22LR S&W M&P™ 1522 ClipOn Magazine Adapter

Introduction

Thank you for purchasing the AR15 .22LR S&W M&P™ 1522 ClipOn Magazine Adapter, also known as the Catch22. This product allows you to use S&W 1522 magazines in your AR15 without modification. To ensure safe and effective use of this product, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat all firearms and accessories as if they are loaded.
- Ensure that you are familiar with the operation of your firearm and the specific adapter before use.
- Keep all firearms and ammunition out of reach of children and unauthorized users.
- Regularly inspect the adapter for any signs of wear or damage before use.
- Do not exceed the magazine capacity specified by the manufacturer.
- Use only compatible magazines with the adapter to avoid malfunctions.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the adapter.
- Do not attempt to force the adapter onto the lower receiver; it should clip on easily.
- If you experience resistance while installing the adapter, check for obstructions or misalignment.
- Always check that the adapter is securely attached before using the firearm.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- If the adapter becomes loose during use, stop using it immediately and inspect it for damage.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the Catch22 adapter with the magazine well of your MilSpec AR15 lower receiver.
- Firmly press the adapter onto the lower receiver until it clips into place. Ensure it is secure.
- Verify that the adapter is correctly installed by checking for any gaps or movement.

2. Usage:

- Insert the S&W 1522 magazine into the adapter until it clicks into place.
- Ensure that the magazine is seated properly and is secure before attempting to fire.
- After firing, the last round should hold the bolt open if using the Catch22 V1 or V2.
- If using with a Kriss Defiance DMK22, ensure that the bolt catch functions correctly with the 1522 magazines.

3. Removal:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gently pull the adapter away from the lower receiver to detach it.
- Store the adapter in a safe place when not in use.

Disposal Instructions

- Dispose of the adapter in accordance with local regulations regarding electronic and plastic waste.
- Do not dispose of the adapter in regular household waste.
- If the adapter is damaged or no longer functional, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For safety inquiries or product support, please refer to the manufacturer's website or contact their customer service department. Ensure that you have your product details ready for assistance.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your AR15 .22LR S&W M&P™ 1522 ClipOn Magazine Adapter. Always prioritize safety and responsible use when handling firearms and accessories.
