

AR-15 KP-15 COMPLETE LOWER RECEIVERS AMBIDEXTROUS POLYMER - KP-15 COMP LOWER RCVR SLT W/AMBI SELECTOR & MAG CATCH ODG

Ambidextrous Controls in an Affordable Package

What makes this lower different than its counterparts? The answer is simple... the KE Arms KP-15 is a monolithic polymer AR-15 ambidextrous lower receiver made from injection molded, 30% glass-filled nylon. Its unique design incorporates the buffer tube, pistol grip, trigger and a 13-inch (LOP) buttstock into the receiver as integral components. The result is an affordably priced, lightweight lower receiver. The KE Arms KP-15 ambidextrous lower receiver features a lower parts kit including a KE Arms SLT-1 trigger (4.5-pound pull, sear link technology) and ambi selector. The take down and pivot pins have built-in detents, which increases durability by eliminating the spring and detent holes. The lower uses a carbine buffer and spring. The buffer detent (should you choose to use it) is held in place with a 5/64" roll pin. The hammer pin area is wider for durability; standard AR-15 hammer pins can still be used, though the KE Arms longer hammer pin is recommended for customers preferring a flush pin for aesthetic reasons. The safety selector spring and detent have been designed to load from the top, then the selector is slid over them. (Standard selectors can work but removing them can be particularly difficult. KE Arms recommends the use of their designated mil-spec selector or ambi selector to make removal easier. Follow the manufacturer's assembly guide for further instructions.) Weight: 1.698 lbs. Compatible with all Mil-Spec fire control groups Compatible with cassette style match triggers Flared magwell Available in black and flat dark earth MLOK slots at rear of stock for sling attachment Pre-drilled in front for QD socket inserts Uses a standard bolt catch. Cannot accept the PDQ lever. The PDQ lever is exclusive to the WWSD complete rifle. Do NOT use anything other than standard carbine buffers and round springs or the JP SCSS in the KP-15. **WARNING!:** This item is legally classified as a receiver. You Must be 21 years old to purchase this item and a resident of the same state your transferring dealer is licensed in. The KE Arms KP-15 is compatible with standard AR-15 uppers in calibers including .223/5.56mm NATO, .300 Blackout, 6.5mm Grendel and 6.8mm SPC. The lower receiver is also compatible with 9mm blowback systems, when used with a minimum buffer weight of 5.4oz (carbine). Failure to use a minimum buffer weight of 5.4oz can damage the lower. CERAKOTE: If you intend to Cerakote your KP-15 the manufacturer recommends the bake should be done at low temperatures (<190 Degrees F) and with an upper in place to prevent warping.

Attributes

- Name: KP-15 COMP LOWER RCVR SLT W/AMBI SELECTOR & MAG CATCH ODG
- Manufacturer: KE ARMS
- Product no.: 100042920
- Mfr. No.: 1-61-01-024
- Cartridge: 5.56 mm NATO
- Color: O.D. Green
- Finish: Anodized

- Make: AR-15
- Style: Complete
- Delivery weight: 1.179kg
- Shipping height: 51mm
- Shipping width: 241mm
- Shipping length: 533mm

Sicherheitshinweise für den KE Arms KP15 Complete Lower Receiver

Einführung

Herzlichen Glückwunsch zum Kauf des KE Arms KP15 Complete Lower Receiver. Dieser Leitfaden bietet wichtige Informationen zur sicheren Verwendung, Installation und Entsorgung Ihres Produkts, um sicherzustellen, dass Sie und andere sicher bleiben.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass das Produkt nur für den vorgesehenen Zweck verwendet wird.
- Halte dich an alle Anweisungen und Sicherheitsrichtlinien des Herstellers.
- Überprüfe das Produkt regelmäßig auf Beschädigungen oder Verschleiß.
- Bewahre das Produkt außerhalb der Reichweite von Kindern und schutzbedürftigen Personen auf.
- Informiere dich über Rückrufaktionen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für den Gebrauch

- Verwende den KE Arms KP15 Lower Receiver nur mit kompatiblen AR15 Oberteilen.
- Achte darauf, dass das MindestBufferGewicht von 5.4oz verwendet wird, um Schäden am Lower Receiver zu vermeiden.
- Stelle sicher, dass der Pistolengriff, der Abzug und andere Komponenten korrekt installiert sind, um Fehlfunktionen zu vermeiden.
- Verwende ausschließlich Standard Carbine Buffers und runde Federn oder den JP SCSS im KP15.
- Beachte, dass der PDQ Hebel nicht akzeptiert wird, da er exklusiv für das WWSD Komplettgewehr ist.

Anweisungen zur Installation und Nutzung

1. Installation

- Stelle sicher, dass du alle Teile des Lower Parts Kits hast, einschließlich des KE Arms SLT1 Abzugs und des ambidextrösen Selectors.
- Montiere die Zerlegungs und PivotPins mit den integrierten Detents, um die Haltbarkeit zu erhöhen.
- Befolge die Montageanleitung des Herstellers für spezifische Installationsschritte.

2. Nutzung

- Überprüfe vor jedem Gebrauch, ob alle Teile ordnungsgemäß montiert und in gutem Zustand sind.
- Halte den Lower Receiver bei der Verwendung immer in einem sicheren Bereich und achte auf deine Umgebung.
- Verwende beim Schießen geeignete Schutzausrüstung, einschließlich Schutzbrille und Ohrenschutz.

Entsorgungsanweisungen

- Entsorge das Produkt gemäß den geltenden lokalen Vorschriften für die Entsorgung von Waffen und Waffenteilen.
- Achte darauf, dass alle Teile des Lower Receivers sicher entfernt und nicht mehr funktionsfähig sind, bevor du ihn entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder deinen Händler. Stelle sicher, dass du alle relevanten Informationen zur Hand hast, um eine schnelle Unterstützung zu erhalten.

Bitte beachte, dass dieser Leitfaden nicht alle möglichen Sicherheitsaspekte abdecken kann. Es liegt in deiner Verantwortung, sicherzustellen, dass du alle Sicherheitsrichtlinien befolgst und verantwortungsbewusst mit deinem Produkt umgehst.

Safety Instruction Guide for KE Arms KP15 Complete Lower Receiver

Introduction

Thank you for choosing the KE Arms KP15 Complete Lower Receiver. This guide provides essential safety instructions, installation procedures, and disposal information to ensure safe and effective use of your product. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure you are at least 21 years old to purchase this item.
- Always handle firearms and firearm components with care and responsibility.
- Keep the product out of reach of children and unauthorized users.
- Do not modify the lower receiver in any way that may compromise its safety or functionality.
- Use only standard carbine buffers and round springs, or the JP SCSS, in the KP15.
- Check for any visible damage or defects before use; do not use if damaged.
- Familiarize yourself with local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- **Legal Classification:** This item is classified as a receiver. Ensure compliance with local laws regarding ownership and transfer.
- **Compatible Parts:** Only use compatible AR15 uppers in specified calibers (.223/5.56mm NATO, .300 Blackout, 6.5mm Grendel, 6.8mm SPC, and 9mm blowback systems).
- **Buffer Weight:** A minimum buffer weight of 5.4oz is required. Failure to use the correct weight can damage the lower receiver.
- **Selector Installation:** The safety selector spring and detent are designed to load from the top. Use the recommended KE Arms selectors for easier installation and removal.
- **Cerakote Application:** If applying Cerakote, follow manufacturer guidelines for lowtemperature baking to avoid warping.
- **Inspection Before Use:** Always inspect the lower receiver for any signs of wear or damage before installation.

Instructions for Installation and Usage

1. **Preparation:** Ensure you have all necessary tools and components before starting the installation.
2. **Installation of Parts:**
 - Install the trigger and ambi selector according to the manufacturer's assembly guide.
 - Secure the buffer detent with a 5/64" roll pin if using.
 - Ensure the take down and pivot pins are properly installed with builtin detents.
3. **Compatibility Check:**
 - Confirm that your upper receiver is compatible with the KP15 lower receiver.
 - Ensure that all parts used are MilSpec compliant.
4. **Final Check:** Once assembled, doublecheck all components to ensure they are securely in place and functioning correctly before use.
5. **Usage:** Follow safe firearm handling practices. Always treat your firearm as if it is loaded, and never point it at anything you do not intend to shoot.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm components.
- If the product is damaged beyond repair, do not attempt to use it. Contact a local authority for safe disposal.

disposal options.

- Ensure that all parts are removed from the lower receiver before disposal.

Contact Information for Further Support

For any safety inquiries or support, please consult the manufacturer's website or customer service channels. Ensure you have the product details handy for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of your KE Arms KP15 Complete Lower Receiver. Thank you for your attention to safety.

Guida alle Istruzioni di Sicurezza del Prodotto

Introduzione

Grazie per aver scelto il KE Arms KP15 Complete Lower Receiver. Questo prodotto è progettato per garantire prestazioni elevate e sicurezza durante l'uso. È importante seguire attentamente queste istruzioni di sicurezza per garantire un utilizzo corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di leggere e comprendere tutte le istruzioni prima dell'uso.
- Conserva queste istruzioni in un luogo sicuro per future consultazioni.
- Utilizza il prodotto solo per gli scopi previsti.
- Non utilizzare il prodotto se presenta segni di danno o usura.
- Controlla regolarmente il prodotto per assicurarti che sia in buone condizioni di funzionamento.
- Non lasciare il prodotto incustodito, soprattutto in presenza di bambini.
- Segnala eventuali prodotti difettosi o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza solo accessori e componenti approvati dal produttore.
- Assicurati che il tuo fucile sia scarico prima di eseguire qualsiasi operazione di manutenzione o installazione.
- Evita di puntare la canna verso te stesso o verso altre persone durante la manipolazione.
- Indossa sempre occhiali protettivi e protezioni per le orecchie durante l'uso.
- Non utilizzare il prodotto in condizioni meteorologiche avverse (es. pioggia, neve).
- Segui tutte le normative locali in materia di armi e sicurezza.

Istruzioni per l'Installazione e l'Uso

1. Installazione del Lower Receiver:

- Assicurati che il tuo upper receiver sia compatibile con il lower receiver KP15.
- Fissa il lower receiver all'upper receiver seguendo le istruzioni del produttore.
- Verifica che i perni di smontaggio e di pivot siano correttamente inseriti e bloccati.

2. Utilizzo del Grilletto e Selettore:

- Prima di utilizzare il grilletto, assicurati che il selettore di sicurezza sia in posizione "Sicuro".
- Per passare alla modalità di fuoco, sposta il selettore in posizione "Fuoco".
- Non premere il grilletto se non sei pronto a sparare.

3. Manutenzione:

- Pulisci regolarmente il lower receiver utilizzando prodotti specifici per armi.
- Controlla e sostituisci eventuali parti usurate secondo le raccomandazioni del produttore.

Istruzioni per lo Smaltimento

- Non smaltire il prodotto insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento delle armi e dei componenti delle armi.
- Rivolgiti a un centro di raccolta autorizzato per la corretta gestione del prodotto.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni o domande relative alla sicurezza del prodotto, ti invitiamo a contattare il tuo rivenditore autorizzato o il produttore. Assicurati di avere a disposizione il numero di serie del prodotto e altre informazioni pertinenti per facilitare l'assistenza.

Ricorda, la sicurezza è la tua responsabilità. Utilizza il KE Arms KP15 Complete Lower Receiver in modo sicuro e responsabile.
