Safety Instruction Guide for MKGS Complete Bolt Carrier Group Repair Kit

Introduction

Thank you for choosing the MKGS Complete Bolt Carrier Group Repair Kit by CMMG. This guide is designed to provide you with essential safety information and instructions for the proper use and maintenance of your product. Please read this guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Ensure that all components are compatible and appropriate for your specific firearm model.
- Always follow local laws and regulations regarding firearm parts and modifications.
- Keep all components out of reach of children and unauthorized users.
- Regularly inspect the components for wear and damage before use.
- If you experience any issues with your Bolt Carrier Group, cease use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Always handle the Bolt Carrier Group with care, ensuring that the firearm is unloaded before any maintenance or installation.
- Wear appropriate safety gear, including eye protection, when working on or around firearms.
- Use only manufacturer-approved parts and tools for installation and repairs.
- Do not attempt to modify or alter the components beyond their intended use.
- Be aware of potential hazards such as sharp edges and small parts that could pose a choking hazard.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have a clean, welllit workspace.
- Gather all necessary tools and components from the kit.

2. Installation Steps:

- **Remove the Old Bolt Carrier Group:**
 - Ensure the firearm is unloaded.
 - Follow the manufacturer's instructions for disassembling the firearm to access the Bolt Carrier Group.
- **Install the New Components:**
 - Take the new Bolt and choose the correct caliber (9mm or .40 S&W) as required.
 - Insert the Firing Pin and secure it with the Firing Pin Retainer Pin.
 - Attach the Key (RDB) and secure it with the Key Screw (2 pieces).
 - Insert the Bolt Cam Pin, Extractor, Ejector, and Ejector Spring in their designated positions.
 - Finally, install the Bolt Spring (RDB) to complete the assembly.
- **Reassemble the Firearm:**
 - Follow the manufacturer's instructions to reassemble the firearm.
 - Perform a function check to ensure proper operation.

3. PostInstallation:

- Conduct a thorough inspection of the firearm before use.

- Test the functionality of the Bolt Carrier Group in a safe and controlled environment.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of components in regular household waste. Check for local recycling or hazardous waste disposal options.

Contact Information for Further Support

For safety inquiries or further assistance, please reach out to your local CMMG representative or authorized dealer. Ensure you have your product details ready for a more efficient response.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of the MKGS Complete Bolt Carrier Group Repair Kit. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important guidelines.
