Safety Instruction Guide for INSTRUCTOR'S BELT WITH COBRA BUCKLE BLACKHAWK LARGE 41"51"

Introduction

Thank you for choosing the INSTRUCTOR'S BELT WITH COBRA BUCKLE by BLACKHAWK. This safety instruction guide provides essential information about the safe use, installation, and disposal of your belt. It is important to read and follow these guidelines to ensure your safety and the longevity of the product.

General Safety Guidelines

- Ensure that the belt is used only for its intended purpose as a tactical accessory.
- Regularly inspect the belt for any signs of wear or damage before use.
- Keep the belt out of reach of children, as it may pose a choking hazard if not used correctly.
- In case of any malfunction or failure, cease use immediately and report the issue if necessary.
- Familiarize yourself with the COBRA buckle mechanism before use to ensure safe and effective operation.

Specific Safety Precautions for Use

- Always ensure that the buckle is securely fastened before engaging in any activities.
- Avoid using the belt in situations where it may become entangled or caught in machinery.
- Do not exceed the recommended waist size of 41"51" to ensure proper fit and function.
- If the belt is used for supporting equipment, ensure that the load does not exceed the belt's capacity.
- In case of an emergency, be aware of how to quickly detach the buckle.

Instructions for Installation and Usage

1. Fitting the Belt:

- Adjust the belt to fit your waist size within the range of 41"51".
- Thread the belt through the belt loops of your pants, ensuring it is positioned comfortably around your waist.

2. Securing the COBRA Buckle:

- Align the buckle ends and press them together until you hear a click, indicating the buckle is secure.
- To release the buckle, pull the release mechanism gently to detach the belt.

3. Daily Use:

- Wear the belt during activities that require tactical support.
- Regularly check the buckle and belt for any signs of wear or damage.

4. Removing the Belt:

- To remove the belt, pull the release mechanism on the buckle and slide the belt out of the loops.

Disposal Instructions

- When disposing of the belt, ensure it is done in accordance with local waste management regulations.
- If the belt is damaged beyond use, consider recycling the materials if possible.
- Do not dispose of the belt in regular household waste if it contains components that could be harmful to

the environment.
