INSTRUCTOR'S BELT WITH COBRA BUCKLE BLACKHAWK SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Instructor's Belt with COBRA Buckle from Blackhawk. This product is designed for tactical use and provides enhanced durability and quick detach functionality. Please read and follow these safety instructions carefully to ensure safe usage and to maximize the life of your belt.

General Safety Guidelines

- Always inspect the belt before use for any signs of wear or damage.
- Ensure that the buckle is securely fastened before engaging in any activities.
- Keep the belt away from sharp objects that may cause damage.
- Store the belt in a dry place to prevent deterioration of materials.
- Do not use the belt for purposes other than its intended use.

Specific Safety Precautions for Use

- This belt is designed for individuals with a waist size of up to 34 inches. Ensure proper fit before use.
- Avoid overloading the belt with excessive weight, which may compromise its integrity.
- Be cautious when using the belt in environments where it may become entangled.
- If you experience any discomfort while wearing the belt, remove it immediately.
- Keep the belt out of reach of children to prevent accidental use.

Instructions for Installation and Usage

1. Fitting the Belt:

- Thread the belt through the belt loops of your trousers.
- Adjust the belt to fit snugly around your waist without excessive tightness.

2. Securing the Buckle:

- To fasten the buckle, insert the male end into the female end until you hear a click.
- To release the buckle, press the release mechanism and pull the two ends apart.

3. Adjusting the Length:

- If necessary, trim the belt to your desired length, ensuring that you do not compromise the buckle's functionality.

4. Wearing the Belt:

- Ensure that the belt is worn at the waist level and is not sagging.
- Check that the buckle is properly secured before engaging in any activities.

Disposal Instructions

- Dispose of the belt in accordance with local regulations regarding textile waste.
- If the belt is damaged beyond repair, consider recycling the materials if possible.
