

# **SMITH & WESSON M&P SHIELD 9MM LUGER FLUTED BARREL - FAXON FIREARMS S&W M&P SHIELD TIN COATED 9MM LUGER THREADED BARREL**

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Faxon Firearms' Match Series Barrels for M&P<sup>®</sup> Shield provide a quick and easy upgrade to your M&P-<sup>®</sup> Shield handgun. These barrels are manufactured in Faxon's Cincinnati, Ohio facility from raw bar stock to provide premium accuracy, fit, and finish. Faxon M&P<sup>®</sup> Shield barrels features their signature "X" logo engraved on the top of the hood, with layered pocketing and caliber identification on the ejection port side. Both threaded and non-threaded versions feature straight fluting and are compatible with M&P Shield 1.0, 2.0, and the new Shield Plus. The Match Series Barrels for M&P<sup>®</sup> Shield are backed by Faxon's Lifetime Guarantee

# Safety Instruction Guide for SMITH & WESSON M&P SHIELD 9MM LUGER FLUTED BARREL

## Introduction

Thank you for choosing the SMITH & WESSON M&P SHIELD 9MM LUGER FLUTED BARREL by Faxon Firearms. This guide provides important safety information and instructions for the safe and effective use of your new barrel. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Always wear appropriate eye and ear protection when handling or shooting firearms.
- Store firearms and ammunition in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and barrel for signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Ensure compatibility of the barrel with your M&P Shield model (1.0, 2.0, or Shield Plus) before installation.
- Do not attempt to modify the barrel or firearm in any way that could impair safety or functionality.
- Use only ammunition that is specified for your firearm to prevent malfunctions or accidents.
- Be aware of the increased risk of injury when using threaded barrels, especially with suppressors or muzzle devices.
- Always verify that the firearm is unloaded before performing any maintenance or installation work.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is completely unloaded.
- Remove the factory barrel from the M&P Shield following the manufacturer's instructions.
- Carefully insert the Faxon barrel into the slide, ensuring it fits securely.
- Reassemble the firearm according to the manufacturer's instructions.
- Perform a function check to ensure proper installation and operation.

### 2. Usage:

- Always perform a visual inspection of the barrel and firearm before each use.
- Load the firearm only when you are ready to shoot.
- Follow all safety protocols when handling and firing the firearm.
- After shooting, clean and maintain the barrel according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the barrel and any related materials in accordance with local laws and regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local authorities or licensed disposal facilities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any inquiries or further support regarding your SMITH & WESSON M&P SHIELD 9MM LUGER FLUTED BARREL, please refer to the manufacturer's website or customer service resources.

By following these guidelines and instructions, you can ensure the safe and effective use of your SMITH & WESSON M&P SHIELD 9MM LUGER FLUTED BARREL. Always prioritize safety and responsible firearm handling.
