

SMITH & WESSON M&P SHIELD 9MM LUGER FLUTED BARREL - FAXON FIREARMS MATCH 9MM NON-THREADED STRAIGHT BBL FOR S&W M&P SHIELD GOLD

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Faxon Firearms' Match Series Barrels for M&P© Shield provide a quick and easy upgrade to your M&P-© Shield handgun. These barrels are manufactured in Faxon's Cincinnati, Ohio facility from raw bar stock to provide premium accuracy, fit, and finish. Faxon M&P© Shield barrels features their signature "X" logo engraved on the top of the hood, with layered pocketing and caliber identification on the ejection port side. Both threaded and non-threaded versions feature straight fluting and are compatible with M&P Shield 1.0, 2.0, and the new Shield Plus. The Match Series Barrels for M&P© Shield are backed by Faxon's Lifetime Guarantee

Safety Instruction Guide for SMITH & WESSON M&P SHIELD 9MM LUGER FLUTED BARREL FAXON FIREARMS MATCH 9MM NONTHREADED STRAIGHT BBL

Introduction

Thank you for choosing the Faxon Firearms Match Series Barrel for your Smith & Wesson M&P Shield. This guide provides essential safety information and instructions for the proper use and maintenance of your product, ensuring a safe and enjoyable experience.

General Safety Guidelines

- Always handle firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms securely and out of reach of children.
- Use only the recommended ammunition for your firearm.
- Regularly inspect your firearm and barrel for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or removing the barrel.
- Use protective eyewear when shooting.
- Do not modify the barrel or firearm in any way that could compromise safety.
- Avoid using the firearm in adverse weather conditions that could affect performance.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Barrel:** Follow the manufacturer's instructions to safely remove the existing barrel from your M&P Shield.
3. **Install the New Barrel:**
 - Align the new Faxon barrel with the slide and frame.
 - Carefully insert the barrel into the slide, ensuring it is seated properly.
 - Reassemble the firearm according to the manufacturer's guidelines.
4. **Check Functionality:** After installation, check the functionality of the firearm without ammunition to ensure proper operation.

Usage Instructions

- Always follow the recommended firing procedures for your M&P Shield.
- Ensure that the barrel is clean and properly maintained for optimal performance.
- Regularly clean your firearm after use to prevent buildup and ensure reliability.
- Monitor the performance of the new barrel during use; if any issues arise, discontinue use and seek professional assistance.

Disposal Instructions

- Dispose of any old or damaged barrels in accordance with local laws and regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of your Faxon Firearms Match Series Barrel, please refer to the product packaging for contact information specific to your region. Always consult with a qualified professional for any technical or safety-related questions.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your shooting experience responsibly!
