

SMITH & WESSON M&P SHIELD 9MM LUGER FLUTED BARREL - FAXON FIREARMS S&W M&P SHIELD CHAMELEON 9MM LUGER THREADED BARREL

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Faxon Firearms' Match Series Barrels for M&P® Shield provide a quick and easy upgrade to your M&P-® Shield handgun. These barrels are manufactured in Faxon's Cincinnati, Ohio facility from raw bar stock to provide premium accuracy, fit, and finish. Faxon M&P® Shield barrels features their signature "X" logo engraved on the top of the hood, with layered pocketing and caliber identification on the ejection port side. Both threaded and non-threaded versions feature straight fluting and are compatible with M&P Shield 1.0, 2.0, and the new Shield Plus. The Match Series Barrels for M&P® Shield are backed by Faxon's Lifetime Guarantee

Safety Instruction Guide for SMITH & WESSON M&P SHIELD 9MM LUGER FLUTED BARREL

Introduction

Thank you for choosing the SMITH & WESSON M&P SHIELD 9MM LUGER FLUTED BARREL by Faxon Firearms. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and ammunition separately and securely.
- Ensure the firearm is unloaded when not in use.
- Follow all local laws and regulations regarding firearm ownership and use.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Use appropriate eye and ear protection when using the firearm.
- Regularly inspect the barrel and firearm for any signs of wear or damage.
- Never attempt to modify the barrel or firearm without proper training and knowledge.

Specific Safety Precautions for Use

- Ensure that the barrel is compatible with your specific M&P Shield model (1.0, 2.0, or Shield Plus).
- Do not use ammunition that exceeds the specifications for the 9mm Luger cartridge.
- Avoid using the firearm in adverse weather conditions that could affect performance.
- Always check the barrel for obstructions before firing.
- Do not exceed the manufacturer's recommendations for barrel maintenance and cleaning.
- Be cautious of the threaded barrel; ensure that any attachments are securely fastened before use.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Before beginning, make sure the firearm is completely unloaded.
2. **Remove the Original Barrel:** Follow the manufacturer's instructions to safely remove the original barrel from your M&P Shield.
3. **Inspect the New Barrel:** Check the Faxon barrel for any visible defects or damage.
4. **Install the New Barrel:** Align the new barrel with the slide and insert it according to the manufacturer's guidelines.
5. **Secure the Barrel:** Ensure that the barrel is properly seated and secured in place.
6. **Test Functionality:** Before using the firearm, perform a function check to ensure everything operates smoothly.

Usage

- Load the firearm only when you are ready to shoot.
- Keep your finger off the trigger until you are ready to fire.
- Follow all shooting range rules and regulations.
- If you experience a malfunction, follow the proper clearing procedures.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm components.
- Do not dispose of the barrel in regular household waste.
- Contact a licensed firearms dealer or local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the SMITH & WESSON M&P SHIELD 9MM LUGER FLUTED BARREL, please refer to the manufacturer's website or contact their customer support.

By following these guidelines, you can help ensure your safety and the safety of others while using the SMITH & WESSON M&P SHIELD 9MM LUGER FLUTED BARREL. Thank you for your attention to these important safety instructions.
