# V2210 AICS Format Polymer Magazine Safety Instruction Guide

## Introduction

Thank you for choosing the V2210 AICS Format Polymer Magazine from Vudoo Gun Works. This guide provides essential safety information and instructions to ensure safe and effective use of your magazine. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always handle the magazine with care to avoid accidents.
- Ensure the magazine is empty before handling or cleaning.
- Keep the magazine out of reach of children and unauthorized users.
- Store the magazine in a secure location when not in use.
- Regularly inspect the magazine for any signs of damage or wear.
- Do not use the magazine if it is damaged or does not function correctly.
- Follow all local laws and regulations regarding the use of firearms and magazines.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that your magazine is compatible with your firearm. The V2210 magazine is designed for use with Vudoo Gun Works Rimfire actions and is compatible with AICS pattern chassis and stocks.
- **Loading:** Load the magazine only with .22 Long Rifle or .17 HM2 cartridges. Do not attempt to use other types of ammunition.
- **Firing:** Always ensure that the firearm is pointed in a safe direction when loading or unloading the magazine.
- **Transporting:** When transporting firearms with the magazine, ensure that the magazine is removed and stored securely.
- **Maintenance:** Clean the magazine regularly according to the manufacturer's recommendations to ensure optimal performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Insert the magazine into the magazine well of the firearm until it clicks into place.
- Verify that the magazine is securely attached before proceeding.

### 2. Usage:

- Load the magazine with up to 10 rounds of .22 Long Rifle or .17 HM2 cartridges.
- Ensure the cartridges are seated correctly and the magazine is not overfilled.
- Once loaded, insert the magazine back into the firearm as instructed above.
- Follow standard firearm safety practices when firing.

### 3. Unloading:

- Point the firearm in a safe direction.
- Remove the magazine from the firearm.
- Eject any remaining cartridges by pressing the release button or lever, following the firearm's

operating instructions.

## Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Contact local waste management for guidance on proper disposal methods for polymer materials.

## Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to the designated contact point provided with your product packaging or visit the manufacturer's website.

This safety instruction guide is designed to help you use the V2210 AICS Format Polymer Magazine safely and effectively. Adhering to these guidelines will help ensure a safe experience. Thank you for your attention to safety.
