BRAVO SHOOTING REST SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the BRAVO Shooting Rest by Birchwood Casey. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the shooting rest safely and effectively.

General Safety Guidelines

- Always ensure that you are in a safe shooting environment before using the BRAVO Shooting Rest.
- Familiarize yourself with the operation of your firearm and the shooting rest before use.
- Never point your firearm at anything you do not intend to shoot.
- Keep the shooting rest away from children and unauthorized users.
- Ensure that the shooting rest is set up on stable ground to prevent tipping or sliding.
- Regularly inspect the shooting rest for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm use and safety.

Specific Safety Precautions for Use

- **Rigid Steel Frame:** Ensure that the shooting rest is stable and secure before placing your firearm on it.
- **NonSlip Rubber Stock Rest:** Confirm that the rubber stock rest is clean and free of debris to maintain grip.
- **Weight Considerations:** The shooting rest weighs 15 lbs. Ensure that it is positioned on a surface that can support this weight.
- **Adjustable Features:** When adjusting the front sight and elevation, do so slowly and carefully to avoid sudden movements that could lead to accidents.
- **Ambidextrous Controls:** Ensure that controls are adjusted correctly for your dominant hand to maintain control and safety.
- **Prone Shooting:** Use the low profile design of the shooting rest only in suitable environments to avoid obstructing your view or causing instability.

Instructions for Installation and Usage

1. Setup:

- Choose a flat and stable surface for setting up the shooting rest.
- Unpack the shooting rest and ensure all parts are included and undamaged.
- Position the shooting rest with the front sight facing your intended target.

2. Adjusting the Elevation:

- Locate the adjustable elevation mechanism.
- Turn the adjustment knob to raise or lower the front sight to your desired height.
- Confirm that the sight is securely locked in place before use.

3. Leveling the Shooting Rest:

- Use the adjustable leveling feet to ensure the shooting rest is stable.
- Check the bullseye bubble level to confirm that the rest is level before placing your firearm on it.

4. Placing the Firearm:

- Carefully place your rifle on the nonslip rubber stock rest.

- Ensure that the rifle is securely positioned and that the safety is engaged.

5. Shooting:

- Once everything is set up, you may begin shooting.
- Always maintain control of your firearm and be aware of your surroundings.

Disposal Instructions

- When the BRAVO Shooting Rest reaches the end of its life cycle, dispose of it in accordance with local regulations.
- If applicable, recycle metal components where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the BRAVO Shooting Rest, please refer to the contact information provided with your product packaging or visit the manufacturer's website for assistance.

By following these safety instructions, you will help ensure a safe and enjoyable shooting experience with the BRAVO Shooting Rest. Always prioritize safety and responsibility when handling firearms.
