

EPC-9 9MM/40 S&W ASSEMBLED UPPER RECEIVER W/LRBHO - AERO PRECISION EPC-9 9MM/40 S&W ASSEMBLED UPPER RECEIVER W/LRBHO FDE

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

The EPC-9 Enhanced Upper Receiver is the perfect addition to any AR9 build. Including a last round bolt hold open mechanism and compatible with Aero's robust lineup of Enhanced and Quantum handguards, the EPC-9 Enhanced Upper Receiver provides an extremely rugged handguard mounting solution. The EPC Enhanced Upper Receiver utilizes a one-piece design combining the handguard mounting platform with the upper receiver itself. Through superior engineering, they have condensed the parts needed to mount a free-floated handguard to a mere 8 screws. Since the handguard mounting surface and upper are of the same forging, not only is it a stronger system, but they are able to make additional lightening cuts to save weight and allow for more efficient cooling. Ease of installation - Simply insert your barrel assembly into the EPC Enhanced upper, tighten it to spec using the provided barrel nut and wrench, slide your rail on and tighten the rail screws. Within minutes you have a modular, free-floated rail. Features: Last round bolt hold open mechanism Standard AR15 takedown/pivot pin lug pattern Machined from custom forged 7075-T6 aluminum Laser engraved T-marks Compatible with Aero Precision AR15 Enhanced and Quantum Handguards Includes: Upper Receiver Pre-installed last round bolt hold open assembly Enhanced Barrel Nut Barrel Nut Wrench NOTE: The EPC last round bolt hold open is ONLY compatible with appropriate GLOCK® pattern magazines.

EPC9 9MM/40 S&W Assembled Upper Receiver Safety Instructions

Introduction

Thank you for choosing the EPC9 9MM/40 S&W Assembled Upper Receiver. This product is designed to enhance your AR9 build. Please read this safety instruction guide carefully to ensure safe and proper use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Regularly inspect the product for any signs of wear or damage before use.
- Always follow the manufacturer's instructions for installation and usage.
- Store the product in a safe and secure location, away from children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- The EPC last round bolt hold open mechanism is ONLY compatible with appropriate GLOCK® pattern magazines.
- Ensure that you are using the correct caliber ammunition (9mm Luger or 40 S&W) for your upper receiver.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Do not modify the upper receiver or any of its components, as this may compromise safety and performance.
- Keep the firearm pointed in a safe direction at all times when installing or using the upper receiver.
- Ensure that the firearm is unloaded before installation or maintenance.

Instructions for Installation and Usage

Installation

1. **Prepare the Workspace:** Ensure your workspace is clean and free from distractions.
2. **Gather Tools:** You will need the provided barrel nut wrench and appropriate tools for your barrel assembly.
3. **Insert Barrel Assembly:**
 - Carefully insert your barrel assembly into the EPC Enhanced upper receiver.
4. **Secure the Barrel:**
 - Tighten the barrel assembly to specifications using the provided barrel nut and wrench.
5. **Attach Handguard:**
 - Slide your compatible rail onto the upper receiver.
 - Tighten the rail screws securely to ensure proper attachment.

Usage

- Before firing, conduct a thorough check to ensure that the firearm is properly assembled and functional.
- Always follow safe handling practices when operating the firearm.
- After use, clean and maintain the upper receiver according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- If the product is damaged or no longer in use, ensure it is stored safely until it can be disposed of properly.

Contact Information for Further Support

For any safety inquiries or additional information regarding the EPC9 9MM/40 S&W Assembled Upper Receiver, please refer to the manufacturer's contact details provided with the product packaging.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
