EPC9 9MM LUGER BOLT CARRIER GROUP Safety Instruction Guide

Introduction

Thank you for choosing the Aero Precision EPC9 9MM Luger Bolt Carrier Group. This product is designed for use in blowback AR platform firearms and is manufactured with high-quality materials to ensure reliability and performance. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition separately, out of reach of children and unauthorized users.
- Ensure that you are familiar with the operation and safety features of your firearm.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Do not use the EPC9 Bolt Carrier Group with incompatible aftermarket fire control groups.
- Verify proper operation and trigger reset with an unloaded firearm prior to use.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the bolt carrier group.
- Inspect the bolt carrier group for any signs of damage or wear before each use.
- Do not modify the bolt carrier group or any other firearm components.
- If you experience a malfunction or any unusual behavior while using the firearm, cease use immediately and consult a qualified gunsmith.
- Keep the firearm and bolt carrier group clean and well-maintained to prevent malfunctions.
- Be aware of your surroundings and ensure that you have a safe backstop when shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing bolt carrier group from the firearm.
- Install the EPC9 Bolt Carrier Group by aligning it with the receiver and pushing it into place until fully seated.
- Ensure that all components, including the firing pin and retaining pin, are properly installed and secure.

2. Usage:

- Load the firearm according to the manufacturer's instructions.
- Conduct a function check to ensure proper operation of the firearm with the new bolt carrier group.
- Always follow safe handling practices when shooting.

3. PostUse:

- After use, clean the bolt carrier group and the firearm according to the manufacturer's guidelines.
- Store the firearm and bolt carrier group in a safe and secure location.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the EPC9 Bolt Carrier Group, please reach out to your local authorized dealer or manufacturer's representative. Always ensure that you have the latest information on product recalls and safety updates.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Aero Precision EPC9 9MM Luger Bolt Carrier Group. Always prioritize safety and responsibility when handling firearms.
