M5 Complete Lower Receiver Safety Instruction Guide

Introduction

Thank you for choosing the M5 Complete Lower Receiver with MOE Grip and UBR Gen2 Carbine Stock from AERO Precision. This product is designed for use in custom bigbore AR builds. To ensure your safety and the safety of others, please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding firearms and firearm components.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for any signs of wear or damage.
- Only use parts and accessories that are compatible with your firearm to avoid malfunctions.
- If you encounter any issues during installation or use, seek professional assistance.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation can lead to malfunction or injury.
 - Use of incompatible parts can cause damage to the firearm or result in injury.
 - Ensure that the firearm is unloaded before beginning installation or maintenance.
- **Instructions for Avoiding Hazards:**
 - Always work in a welllit and organized area.
 - Use appropriate tools and protective gear during installation.
 - Follow all instructions carefully to ensure proper assembly.
 - Do not exceed the recommended specifications for ammunition and accessories.
- **AgeSpecific Warnings:**
 - This product is intended for adults only. Keep out of reach of children.
 - Ensure that any individuals handling the firearm are trained and knowledgeable about firearm safety.

Instructions for Installation and Usage

Installation Steps

1. **Preparation:**
 - Gather all necessary tools including a torque wrench, screwdriver, and any specific tools required for your firearm model.
 - Ensure that your workspace is clean and free from distractions.
2. **Assembling the Lower Receiver:**

- Begin by installing the MOE Grip onto the M5 Stripped Lower Receiver using the provided screws.
- Next, attach the UBR Gen2 Collapsible Stock to the receiver, ensuring that it is securely fastened.

3. Lower Parts Kit Installation:

- Follow the instructions included with the Lower Parts Kit for proper installation of all internal components.
- Ensure that each part is correctly positioned and secured to avoid malfunctions.

4. Final Checks:

- Once assembled, conduct a thorough inspection of the lower receiver to ensure all parts are correctly installed.
- Test the functionality of the trigger, safety, and magazine catch before using the firearm.

Usage Instructions

- Always ensure that the firearm is pointed in a safe direction when loading or unloading.
- Use only ammunition that is specified for your firearm model.
- Conduct regular maintenance and cleaning of your firearm to ensure optimal performance.
- If you notice any unusual sounds or malfunctions during use, cease operation immediately and seek assistance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- For the disposal of the lower receiver or any firearm components, follow local laws regarding firearms disposal.
- Do not discard the firearm or its components in regular waste. Consult with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the M5 Complete Lower Receiver, please consult your local firearms dealer or manufacturer. It is recommended to keep a record of your purchase and any relevant documentation for future reference.

By adhering to these guidelines, you can help ensure a safe and enjoyable experience with your M5 Complete Lower Receiver. Always prioritize safety and responsibility when handling firearms.
