Safety Instruction Guide for EPC9 9MM/40 S&W Carbine Complete Lower

Introduction

Thank you for choosing the Aero Precision EPC9 Complete Lower Receiver. This product is designed for use in custom AR9 builds and includes essential features to enhance your shooting experience. Your safety is our top priority, and this guide provides important safety instructions and guidelines to ensure the safe and proper use of this product.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm securely, out of reach of children and unauthorized users.
- Wear appropriate eye and ear protection when using the firearm.
- Ensure that you are familiar with local laws and regulations regarding firearm ownership and use.
- Regularly inspect your firearm for any signs of wear or damage.
- Never use ammunition that is not specified for this firearm model.
- In case of a malfunction, follow proper procedures for clearing the firearm.

Specific Safety Precautions for Use

- Ensure that the EPC9 Complete Lower Receiver is installed correctly on a compatible upper receiver.
- Only use magazines that are compatible with the EPC9 and are in good condition.
- Do not modify the lower receiver or its components in ways not specified by the manufacturer.
- Be cautious when handling the firearm, especially when loading and unloading.
- Keep your fingers off the trigger until you are ready to shoot.
- Always be aware of your surroundings and ensure that the area is clear of people and obstacles before firing.

Instructions for Installation and Usage

1. Installation of the Lower Receiver

- Ensure that all parts are included: EPC9 Lower Receiver, Magpul MOE Grip, Magpul MOE SLK Carbine Stock, Lower Parts Kit, Enhanced Buffer Tube, EPC 7.7oz Buffer, M5 Carbine Buffer Spring, Castle nut/end plate.
- Follow the manufacturer's instructions for attaching the lower receiver to the compatible upper receiver.
- Securely attach the Magpul MOE Grip and MOE SLK Carbine Stock according to the provided instructions.
- Verify that all components are properly installed and functioning before use.

2. Usage of the Firearm

- Load the firearm using compatible GLOCK magazines.
- Ensure that the firearm is in a safe condition before loading and unloading.
- When ready to fire, assume a stable shooting position and ensure that the target area is clear.
- After firing, always check to ensure the firearm is clear of any obstructions.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Ensure that all firearm components are rendered inoperable before disposal.
- Check with local authorities for specific guidelines on disposing of firearms and related components.

Contact Information for Further Support

For any safety inquiries or concerns regarding your EPC9 Complete Lower Receiver, please refer to the manufacturer's website or contact your local dealer for assistance.

Thank you for prioritizing safety and responsible firearm use. Enjoy your shooting experience with the Aero Precision EPC9!
