EPC9 9MM LUGER THREADED COMPLETE UPPER RECEIVER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the EPC9 9MM Luger Threaded Complete Upper Receiver from Aero Precision. This product is designed to provide high performance and reliability. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms and firearm components with care and respect.
- Ensure that you are familiar with the laws and regulations regarding firearms in your area.
- Keep the upper receiver and all firearm components out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye protection and hearing protection, when using firearms.
- Regularly inspect your upper receiver and other firearm components for signs of wear or damage.
- Do not use this product if you notice any defects or irregularities.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or handling the upper receiver.
- Use only compatible components with the EPC9 upper receiver, including barrels and handguards.
- Follow the manufacturer's specifications for installation and usage to avoid potential hazards.
- Be aware of the potential hazards associated with the use of firearms, including recoil, noise, and the risk of accidental discharge.
- Do not alter or modify the upper receiver in any way that could compromise its safety or performance.
- Always check that the muzzle device is securely attached and that it is not pinned or welded to the barrel.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded and that the area is safe for installation.
- Gather all necessary tools and components before beginning the installation.

2. Installation of the Upper Receiver

- Align the EPC9 upper receiver with the lower receiver of your firearm.
- Insert the takedown and pivot pins to secure the upper receiver in place.
- Ensure that the upper receiver is properly seated and that there are no gaps between the two components.

3. Installation of Barrel and Handguard

- Follow the manufacturer's instructions for installing the barrel and handguard.
- Ensure that the barrel nut is properly torqued according to specifications.
- Attach the ATLAS RONE handguard securely, ensuring it is aligned and locked in place.

4. Final Checks

- Conduct a thorough inspection of the firearm to ensure that all components are securely attached and function correctly.
- Verify that the last round bolt hold open mechanism operates as intended.
- Test the firearm in a safe and controlled environment before regular use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the upper receiver or any components become damaged beyond repair, follow local guidelines for the disposal of firearms and firearm components.
- Do not dispose of firearms or components in regular trash; instead, contact local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the EPC9 9MM Luger Threaded Complete Upper Receiver, please consult the manufacturer's customer support resources or refer to your local firearms expert. Always prioritize safety and compliance with local laws when handling firearms.
