EPC9 9MM LUGER THREADED COMPLETE UPPER RECEIVER SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the EPC9 9MM Luger Threaded Complete Upper Receiver from Aero Precision. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always treat the upper receiver as if it is loaded.
- Keep the upper receiver pointed in a safe direction at all times.
- Store the upper receiver in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the upper receiver for signs of wear or damage before use.
- Ensure that you are familiar with all local laws and regulations regarding firearm parts and modifications.
- Use only compatible components and accessories with the EPC9 upper receiver to avoid hazards.
- If you experience any malfunctions, cease use immediately and seek professional assistance.

Specific Safety Precautions for Use

- Ensure that the upper receiver is properly installed on a compatible lower receiver before use.
- Never attempt to modify or alter the upper receiver in any way that is not recommended by the manufacturer.
- Always use appropriate protective gear, including eye and ear protection, when handling or firing the firearm.
- Be aware of your surroundings and ensure that the area is safe for shooting.
- Do not use the upper receiver with ammunition that is not specified for use (9mm Luger).
- Always follow the manufacturer's instructions for the use and maintenance of the product.

Instructions for Installation and Usage

1. Installation:

- Ensure that your work area is clean and free of distractions.
- Confirm that you have all necessary tools and components before starting the installation.
- Align the EPC9 upper receiver with the compatible lower receiver.
- Secure the upper receiver using the standard AR15 takedown/pivot pin lug pattern.
- Ensure that the handguard is properly attached and that the dimple above the threads allows for correct handguard timing.

2. Usage:

- Before firing, doublecheck that the firearm is clear of any obstructions.
- Load the firearm only when you are prepared to fire.
- After firing, keep the firearm pointed in a safe direction and unload it as soon as possible.
- Clean and maintain the upper receiver regularly to ensure optimal performance.

Disposal Instructions

- Dispose of the upper receiver and any associated components in accordance with local regulations.
- Do not dispose of the upper receiver in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support regarding the EPC9 upper receiver, please refer to the contact details provided by the manufacturer. Always ensure you have the most current information related to safety and product recalls.

Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience with your EPC9 9MM Luger Threaded Complete Upper Receiver. Always prioritize safety and compliance with local laws and regulations. Thank you for choosing Aero Precision.
