

# 700 5-R STAINLESS THREADED GEN 2 308 WINCHESTER - REM 700 STAINLESS 5-R THREADED GEN2 24" BBL 308 WINCHESTER

[Firearms](#) > [Rifles](#) > [Bolt Action](#)

Built off the legendary 700 action, the Remington 700 5-R sets the benchmark for accuracy and durability. Much like M-24, the barrel is cold hammer forged and features 5-R rifling. The 5R rifling profile increases barrel life expectancy, accuracy and creates less fouling and bullet deformation over time. Whether you're a benchrest shooter or longtime hunter, look no further for better reliability and precision. Why 5-R? 5-R rifling is the same type of rifling used on the battle proven M-24 SWS. There are 5 lands as opposed to the normal 6 land configuration. Traditional lands are squared off at a 90 degree angle to the groove while the lands on 5-R rifling are tapered at 110 degrees which results in less bullet deformation. Also, none of the lands are directly across from one another. Both of these features lead to better accuracy and less fouling. Legendary Model 700 Stainless Steel Action featuring the "3-Rings of Steel" makes this the strongest action on the market. Black Cerakote finish for additional protection against the elements 5-R hammer-forged with tactical/target-style rifling like that used in famous M-24 military rifles for the utmost in shot-to-shot consistency 5-R increases barrel life and accuracy, causes less friction and bullet deformation Tactical bolt knob for easy bolt manipulation Six longitudinal LTR style flutes reduce barrel weight and increase heat dissipation H.S. Precision Sand color composite stock with black webbing features full-length aluminum bedding blocks for enhanced stability and shot-to-shot consistency Dual front swivel stud system for convenient mounting of bi-pod and sling X-Mark Pro externally adjustable trigger Silencer ready with 5/8x24 Threads

## Attributes

- Name: [REM 700 STAINLESS 5-R THREADED GEN2 24" BBL 308 WINCHESTER](#)
- Manufacturer: [REMINGTON](#)
- Product no.: 100050002
- Mfr. No.: R85201
- Action Type: Bolt Action
- Barrel Length: 24"
- Capacity: 4-Round
- Cartridge: 308 Winchester
- Finish: Sand,Black
- Front Sight: None
- Length: 43.75"
- Magazine Included: Hinged Floorplate
- Magazine Type: NA
- Make: Remington
- Model: 700
- Muzzle: Threaded
- Rear Sight: None
- Stock Material: H-S Precision Stock
- Weight: 8.5 lbs
- UPC: 810070680220

## Item details

Made in USA

US export classification: 0A501.a

# Safety Instruction Guide for REMINGTON 700 5R STAINLESS THREADED GEN 2 308 WINCHESTER

## Introduction

Thank you for choosing the REMINGTON 700 5R STAINLESS THREADED GEN 2 308 WINCHESTER. This guide provides essential safety information to ensure the safe use of your firearm. Please read this guide carefully and keep it for future reference.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the firearm in a safe direction.
- Be aware of your target and what is beyond it.
- Store firearms and ammunition securely and out of reach of children.
- Always use the correct ammunition for your firearm.
- Ensure that the firearm is unloaded when not in use.
- Wear appropriate safety gear, including eye and ear protection, when using the firearm.
- Regularly inspect the firearm for any signs of wear or damage.

## Specific Safety Precautions for Use

- **Age Restrictions:** This firearm is intended for use by individuals who are legally permitted to own and operate firearms. Ensure that all users are of legal age and possess the necessary licenses.
- **Training:** Seek proper training from a certified instructor before using this firearm. Familiarize yourself with its operation and safety features.
- **Environmental Considerations:** Be aware of your surroundings when shooting, including the presence of other people, animals, and structures.
- **Weather Conditions:** Avoid using the firearm in adverse weather conditions that could impair visibility or control.
- **Maintenance:** Regularly clean and maintain your firearm according to the manufacturer's instructions to ensure optimal performance and safety.

## Instructions for Installation and Usage

### 1. Installation of Accessories:

- Ensure the firearm is unloaded before installing any accessories.
- Follow the manufacturer's instructions for installing any scopes, sights, or other accessories.
- Check that all accessories are securely attached before use.

### 2. Loading the Firearm:

- Open the bolt and visually inspect the chamber to ensure it is clear.
- Insert the magazine into the firearm, ensuring it is locked in place.
- Pull the bolt back and release it to chamber a round.

### 3. Firing the Firearm:

- Aim at your target while ensuring a safe backdrop.
- Place your finger on the trigger only when ready to fire.
- Squeeze the trigger smoothly to fire the shot.

- After firing, keep the firearm pointed downrange and wait for a few moments to ensure there are no misfires.

#### **4. Unloading the Firearm:**

- Open the bolt to eject any chambered round.
- Remove the magazine from the firearm.
- Visually inspect the chamber to ensure it is empty.

## **Disposal Instructions**

- Dispose of any unused ammunition in accordance with local laws and regulations.
- Do not throw firearms or ammunition in the trash. Contact local authorities for proper disposal methods.
- If the firearm is no longer in use, consider selling it through a licensed dealer or turning it in to local law enforcement.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please reach out to the appropriate authorities or consult a firearms expert. Always ensure that you have access to reliable information and support regarding your firearm.

## **Conclusion**

The REMINGTON 700 5R STAINLESS THREADED GEN 2 308 WINCHESTER is a highquality firearm designed for accuracy and reliability. By following the safety guidelines outlined in this document, you can help ensure a safe shooting experience. Always prioritize safety in all firearmrelated activities.
