REMINGTON 700 LONG RANGE Safety Instructions

Introduction

Thank you for choosing the REMINGTON 700 LONG RANGE rifle. This safety instruction guide is designed to ensure the safe and responsible use of your firearm. Please read and understand all instructions before handling or using the rifle.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Do not load the firearm until you are ready to shoot.
- Keep your finger off the trigger until you are ready to fire.
- Be aware of your target and what is beyond it.
- Use appropriate hearing and eye protection while shooting.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the REMINGTON 700 LONG RANGE before using it.
- Use only the recommended ammunition type (3006 Springfield) for your rifle.
- Do not attempt to modify or alter your rifle in any way.
- Be cautious of environmental conditions that may affect shooting accuracy, such as wind and rain.
- Always be aware of the presence of others in the shooting area.
- If you experience a misfire, keep the firearm pointed downrange for at least 30 seconds before attempting to clear it.
- Avoid using the firearm under the influence of drugs or alcohol.

Instructions for Installation and Usage

1. Unboxing the Rifle

- Carefully remove the rifle from its packaging.
- Inspect the rifle for any visible damage or missing components.

2. Installation of Accessories

- If you are installing a scope or other accessories, ensure that they are compatible with the REMINGTON 700 LONG RANGE.
- Follow the manufacturer's instructions for the installation of any accessories.

3. Loading the Rifle

- Ensure the rifle is pointed in a safe direction.
- Open the hinged floorplate and insert the magazine, ensuring it is securely in place.
- Load the appropriate ammunition into the magazine, following the manufacturer's specifications.

4. Firing the Rifle

- Ensure the safety is engaged before loading.
- When ready to fire, disengage the safety and take aim at your target.

- Gently squeeze the trigger to fire the rifle.

5. **PostUse Procedures**

- After use, ensure the rifle is unloaded and the safety is engaged.
- Clean the rifle according to the manufacturer's recommendations.
- Store the rifle securely in a safe location.

Disposal Instructions

- Dispose of any empty ammunition casings and packaging materials in accordance with local regulations.
- If the rifle becomes damaged beyond repair, consult local laws for proper disposal methods.
- Never dispose of firearms in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the REMINGTON 700 LONG RANGE, please refer to the manufacturer's website or your local authorized dealer for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your REMINGTON 700 LONG RANGE rifle. Always prioritize safety and responsibility when handling firearms.
