REMINGTON 700 SPS TACTICAL Safety Instruction Guide

Introduction

Thank you for choosing the REMINGTON 700 SPS TACTICAL. This safety instruction guide is designed to provide you with essential information to ensure safe handling and usage of your firearm. Please read this guide carefully and follow all instructions to maximize safety and performance.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Do not rely on the firearm's safety mechanism; it is not a substitute for safe handling.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store firearms securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm for any signs of wear or damage.
- Only use ammunition that is specifically recommended for your firearm.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that you are in a safe environment when handling or using the firearm.
- Always wear appropriate eye and ear protection when shooting.
- Do not use the firearm under the influence of drugs or alcohol.
- Be cautious when loading and unloading the firearm; do so in a safe area.
- If a round fails to fire, wait at least 30 seconds before attempting to remove it.
- Be mindful of the recoil and ensure a proper shooting stance to maintain control.
- Use a proper shooting rest or support for improved stability and accuracy.

Instructions for Installation and Usage

1. Installation of Accessories:

- Ensure the firearm is unloaded before installing any accessories.
- Follow the manufacturer's instructions for installing any accessories, such as scopes or slings.

2. Loading the Firearm:

- Open the hinged floorplate magazine and insert the ammunition.
- Close the magazine securely.
- Ensure the firearm is pointed in a safe direction before loading.

3. Firing the Firearm:

- Assume a proper shooting stance and grip the firearm firmly.
- Take aim at your target while ensuring the firearm is pointed in a safe direction.
- When ready, place your finger on the trigger and squeeze gently to fire.

4. Unloading the Firearm:

- Point the firearm in a safe direction.

- Open the hinged floorplate magazine and remove all ammunition.
- Cycle the action to ensure the chamber is empty.

5. Maintenance:

- Clean your firearm regularly according to the manufacturer's guidelines.
- Inspect all components for signs of wear and replace as necessary.

Disposal Instructions

- Dispose of any used ammunition and firearm components in accordance with local regulations.
- Do not throw firearms or ammunition in the regular trash.
- Contact local authorities for proper disposal methods of hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the REMINGTON 700 SPS TACTICAL or its safety instructions, please refer to the manufacturer's website or customer service for assistance.

Conclusion

Following these safety guidelines and instructions will help ensure a safe and enjoyable experience with your REMINGTON 700 SPS TACTICAL. Always prioritize safety and be aware of your surroundings when handling any firearm. Thank you for choosing REMINGTON.
