

HEADSPACE COMPARATOR STAND - SHORT ACTION CUSTOMS HEADSPACE COMPARATOR STAND

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Keep a fully fire-formed, un-sized piece of brass with your headspace comparators as a "Master Headspace Brass" for each cartridge that you load for. This makes it easy checking resized brass against your barrels headspace. SAC built a special detail into their Modular Headspace Comparator stands to hold brass in unused slots.

Safety Instruction Guide for HEADSPACE COMPARATOR STAND SHORT ACTION CUSTOMS

Introduction

Thank you for choosing the HEADSPACE COMPARATOR STAND SHORT ACTION CUSTOMS. This product is designed to assist in measuring headspace accurately for your reloading needs. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that all users are familiar with the product and its intended use.
- Always handle brass and reloading equipment with care to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the equipment for wear and damage before each use.
- Follow all local laws and regulations regarding reloading and firearm safety.

Specific Safety Precautions for Use

- Use only the recommended brass for headspace comparisons.
- Avoid using damaged or improperly sized brass as reference points.
- Do not exceed the manufacturer's specifications for reloading.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, while using the product.
- Ensure the workspace is clean and free of obstructions to prevent tripping hazards.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the HEADSPACE COMPARATOR STAND and your "Master Headspace Brass."
- Ensure your workspace is welllit and organized.

2. Setting Up the Comparator Stand:

- Place the HEADSPACE COMPARATOR STAND on a stable, flat surface.
- If applicable, assemble any additional components as per the manufacturer's instructions.

3. Using the Comparator Stand:

- Insert the "Master Headspace Brass" into the designated slot on the stand.
- Place the resized brass you wish to measure in the appropriate slot.
- Compare the two pieces of brass visually and/or using the comparator tool as intended.

4. After Use:

- Remove all brass from the stand.
- Clean the stand and surrounding area to remove any debris or residue.
- Store the HEADSPACE COMPARATOR STAND in a safe, dry location.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local waste disposal regulations.

- Recycle materials when possible to minimize environmental impact.

Contact Information for Further Support

For inquiries or concerns regarding the HEADSPACE COMPARATOR STAND, please refer to the manufacturer's contact details provided with your product. It is essential to have access to support for any safety-related questions or issues.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the HEADSPACE COMPARATOR STAND SHORT ACTION CUSTOMS. Always prioritize safety and adhere to best practices while reloading. Thank you for your attention to these important guidelines.
