

# MODULAR HEADSPACE COMPARATOR INSERTS - SHORT ACTION CUSTOMS 30-06 SPRINGFIELD MODULAR HEADSPACE COMPARATOR INSERT

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

Headspace Inserts for your Modular Headspace Comparator \*\*\*Requires Modular Headspace Comparator Body\*\*\* The Modular Headspace Body must be purchased separately and can be found at the Modular Headspace Comparator Body page. New Modular Design for the most accurate cartridge headspace and bullet measurements available! Newly designed Modular Headspace Comparator (MHC) is an updated version of the highly successful dedicated Headspace Comparator that SAC previously made out of 6061 aluminum. They improved on its design allowing the new MHC to be used with cartridges up to 338 Lapua Magnum and more. Each bullet and headspace insert is precision machined out of 17-4 Stainless Steel for increased durability and corrosion resistance. Simply put, these are the highest quality headspace and bullet measuring tools available.

# Safety Instruction Guide for Modular Headspace Comparator Inserts Short Action Customs 3006 Springfield

## Introduction

Thank you for choosing the Modular Headspace Comparator Inserts from Short Action Customs. These inserts are designed to provide precise measurements for cartridge headspace and bullet dimensions, ensuring accuracy and reliability in your reloading process. This guide aims to provide essential safety instructions and usage guidelines to ensure safe and effective operation.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the Modular Headspace Comparator Body is purchased separately and is compatible with the inserts.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the Modular Headspace Comparator Inserts only with the designated Modular Headspace Comparator Body.
- Handle the inserts with care to avoid injury from sharp edges.
- Avoid exposure to corrosive substances that may damage the stainless steel material.
- Do not exceed the maximum cartridge size specified (up to 338 Lapua Magnum).
- Wear appropriate safety gear, such as safety glasses, when using the comparator.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Modular Headspace Comparator Body is clean and free from debris.
- Select the appropriate headspace insert for your cartridge (3006 Springfield).
- Align the insert securely into the Modular Headspace Comparator Body until it clicks into place.

### 2. Usage:

- Insert the cartridge into the comparator, ensuring it is properly seated against the insert.
- Use a caliper or micrometer to measure the headspace or bullet dimensions as needed.
- Record your measurements for future reference.
- After use, remove the cartridge and clean the comparator and inserts to maintain their condition.

## Disposal Instructions

- Dispose of any damaged or worn inserts according to local regulations for metal recycling.
- Ensure that all components are disposed of in an environmentally responsible manner.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions regarding safety, usage, or product support, please reach out to the manufacturer or retailer from whom you purchased the product. Ensure you have your purchase information ready for reference.

By following these safety instructions, you can ensure a safe and effective experience with your Modular Headspace Comparator Inserts. Thank you for your attention to these guidelines, and happy reloading!
