Customize Your M&P Compact

The Smith & Wesson M&P Compact is sized right for concealed carry, offering enough personal-defense firepower in a package that can be carried with ease. However, the compact size comes at the cost of less grip space, and the Talon S&W M&P Compact Small Backstrap Grip Tape helps to anchor the grip frame in a user's hands. The Talon S&W M&P Compact Small Backstrap Grip Tape provides an enhanced texture on both sides of the grip frame, as well as on the thumb rests, beneath the trigger guard and on the backstrap of the pistol. Comes in rubber or granulate styles Color: black Features all control cutouts The Talon S&W M&P Compact Small Backstrap Grip Tape uses adhesive that anchors onto any frame solidly but can be removed easily without damaging the gun's frame.

Safety Instruction Guide for S&W M&P Compact Small Backstrap Grip Tape

Introduction

Thank you for choosing the S&W M&P Compact Small Backstrap Grip Tape by Talon Grips Inc. This product is designed to enhance your grip and improve handling of your Smith & Wesson M&P Compact firearm. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the grip tape for wear and damage, and replace it if necessary.
- Always follow the firearm manufacturer's safety guidelines and instructions.
- Be aware of your surroundings and ensure that you are in a safe environment when handling your firearm.

Specific Safety Precautions for Use

- The grip tape is designed for the Smith & Wesson M&P Compact model only. Do not use it on other firearm models.
- Avoid using the grip tape in wet or slippery conditions, as it may affect grip performance.
- Do not apply excessive force when handling the firearm to prevent injury or damage to the grip tape.
- If you experience any discomfort or irritation while using the grip tape, discontinue use immediately.
- Ensure that the adhesive is properly applied to avoid any slipping or detachment during use.

Instructions for Installation and Usage

1. Preparation:

- Clean the grip frame of your firearm with a suitable cleaning solution to remove dirt, oil, and residue.
- Ensure that the surface is completely dry before applying the grip tape.

2. Application:

- Carefully peel the backing off the grip tape.
- Align the grip tape with the grip frame, ensuring that it covers the desired areas including the thumb rests, beneath the trigger guard, and the backstrap.
- Press firmly to ensure a strong bond with the grip frame. Start from one end and work your way to the other to avoid air bubbles.

3. Finalization:

- Once applied, allow the adhesive to set for at least 24 hours before using the firearm to ensure maximum adhesion.
- Regularly check the grip tape for any signs of wear or detachment, especially after extensive use.

Disposal Instructions

- Dispose of any unused or damaged grip tape in accordance with local regulations.
- Do not dispose of the grip tape in fire, as it may release harmful fumes.

Contact Information for Further Support

For safety inquiries or further support regarding the S&W M&P Compact Small Backstrap Grip Tape, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety guidelines and instructions, you can ensure safe and effective use of your S&W M&P Compact Small Backstrap Grip Tape. Thank you for your attention to safety and for choosing Talon Grips Inc.
