[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

## Customize Your M&P Compact

The Smith & Wesson M&P Compact is sized right for concealed carry, offering enough personal-defense firepower in a package that can be carried with ease. However, the compact size comes at the cost of less grip space, and the Talon S&W M&P Compact Small Backstrap Grip Tape helps to anchor the grip frame in a user's hands. The Talon S&W M&P Compact Small Backstrap Grip Tape provides an enhanced texture on both sides of the grip frame, as well as on the thumb rests, beneath the trigger guard and on the backstrap of the pistol. Comes in rubber or granulate styles Color: black Features all control cutouts The Talon S&W M&P Compact Small Backstrap Grip Tape uses adhesive that anchors onto any frame solidly but can be removed easily without damaging the gun's frame.

# Safety Instruction Guide for S&W M&P Compact Small Backstrap Grip Tape

## Introduction

Thank you for choosing the S&W M&P Compact Small Backstrap Grip Tape by Talon Grips Inc. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure the product is suitable for your firearm model before use.
- Always follow the manufacturer's instructions for safe handling and installation.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about any recalls or safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not install the grip tape on a firearm that is loaded. Always ensure the firearm is unloaded before installation.
- Inspect the grip tape regularly for wear or damage. Replace it if it shows signs of deterioration.
- Avoid exposing the grip tape to harsh chemicals or extreme temperatures, as this may affect its adhesion and performance.
- Ensure that the grip tape does not obstruct any controls or safety features of the firearm.
- If you experience any discomfort or difficulty in gripping after installation, discontinue use and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the grip frame of your firearm with a suitable cleaner to remove any dirt, oil, or residue.
- Ensure the grip frame is completely dry before applying the grip tape.

### 2. Application:

- Peel off the backing of the grip tape carefully.
- Align the grip tape with the grip frame, ensuring it covers the desired areas including sides, thumb rests, beneath the trigger guard, and backstrap.
- Press down firmly on the grip tape to ensure good adhesion, smoothing out any air bubbles.

### 3. Final Check:

- Once installed, check that the grip tape is secure and does not interfere with the operation of the firearm.
- Allow the adhesive to set for at least 24 hours before using the firearm to ensure maximum adhesion.

## Disposal Instructions

- Dispose of any packaging materials and used grip tape in accordance with local waste disposal regulations.

- Do not burn the grip tape or packaging materials, as they may release harmful substances.

## **Contact Information for Further Support**

For any questions or concerns regarding the S&W M&P Compact Small Backstrap Grip Tape, please refer to the manufacturer's website or customer support resources.

By following these instructions and guidelines, you can enhance your firearm's grip safely and effectively. Thank you for your attention to safety, and enjoy your product.
