

# S&W M&P COMPACT MEDIUM BACKSTRAP GRIP TAPE - TALON GRIPS INC S&W M&P COMPACT MEDIUM BACKSTRAP GRIP GRANULATED BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

## Enhance Your Compact Pistol Grip

The Smith & Wesson M&P Compact is a great concealed-carry option, thanks to the reduced size of the pistol's grip frame. However, the gun's reduced size and weight can make it harder to control during rapid fire, and the Talon S&W M&P Compact Medium Backstrap Grip Tape works to enhance the texture of your pistol frame. The Talon S&W M&P Compact Medium Backstrap Grip Tape wraps completely around the grip of the pistol, providing improved texturing on both side panels, thumb rests, front strap and backstrap of the gun. Available in rubber or granulate textures Color: black Features ambidextrous safety cutouts The Talon S&W M&P Compact Medium Backstrap Grip Tape goes on easily and remains anchored in place, due to a powerful adhesive. However, the tape does not permanently modify the gun in any way, and it can be removed easily.

# Safety Instruction Guide for S&W M&P Compact Medium Backstrap Grip Tape

## Introduction

Thank you for choosing the S&W M&P Compact Medium Backstrap Grip Tape by Talon Grips Inc. This product is designed to enhance the grip and control of your Smith & Wesson M&P Compact pistol. To ensure safe and effective use of this product, please read and follow the safety guidelines and instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before applying or adjusting the grip tape.
- Keep the grip tape out of reach of children and vulnerable individuals.
- Inspect the grip tape regularly for any signs of wear or damage.
- Do not use the grip tape if it appears damaged or compromised.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is in a safe condition before handling.
- Avoid exposing the grip tape to extreme temperatures, moisture, or direct sunlight for prolonged periods.
- Do not attempt to modify or alter the grip tape in any way.
- The grip tape is designed for use on the Smith & Wesson M&P Compact model only. Do not use it on other firearm models.
- If you experience any discomfort or adverse reactions while using the grip tape, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Preparation

- Clean the grip surface of your pistol thoroughly to remove any dirt, oil, or residue.
- Allow the surface to dry completely before applying the grip tape.

### 2. Application

- Carefully peel the backing from the grip tape.
- Align the grip tape with the grip frame of the pistol, ensuring proper placement over the side panels, thumb rests, front strap, and backstrap.
- Press the grip tape firmly onto the grip frame, ensuring that it adheres well to the surface.
- Smooth out any bubbles or wrinkles by applying pressure from the center outward.

### 3. Finalization

- Allow the adhesive to cure as per the manufacturer's recommendations before using the firearm.
- Inspect the grip tape to ensure it is securely in place and has not lifted or bubbled.

### 4. Removal

- To remove the grip tape, gently peel it away from the grip frame.
- If any adhesive residue remains, clean it off with an appropriate solvent.

## **Disposal Instructions**

- Dispose of any unused or damaged grip tape in accordance with local waste disposal regulations.
- Do not dispose of the grip tape in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any questions or concerns regarding the S&W M&P Compact Medium Backstrap Grip Tape, please refer to the manufacturer's website or customer support resources.

By following these guidelines, you can ensure the safe and effective use of your S&W M&P Compact Medium Backstrap Grip Tape. Thank you for prioritizing safety and compliance with EU General Product Safety Regulations.
