

223 REMINGTON SMALL BASE DIE SET - RCBS 223 REMINGTON SMALL BASE DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

This two-die set is for 223 Remington cases used in tight-chambering semi-automatic, pump or lever-action rifles. It consists of a Small Base Sizer with an Expander-Decapping Unit and Regular Seater Die with Seater Plug. The sizer resizes cases below SAAMI minimums, reducing the shoulder and body by a few thousandths. It also de-primers the case. The included Seater Die has a built-in roll crimper to secure the bullet at the same time it's seated. To seat bullets without crimping, simply unscrew the die until the crimp ring no longer engages the case mouth.

Attributes

- Name: [RCBS 223 REMINGTON SMALL BASE DIE SET](#)
- Manufacturer: [RCBS](#)
- Product no.: 100060890
- Mfr. No.: 11103

Safety Instruction Guide for the 223 Remington Small Base Die Set

Introduction

Thank you for choosing the RCBS 223 Remington Small Base Die Set. This guide provides essential safety instructions to ensure the safe use of this product. Please read and understand all information before using the die set.

General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions.
- Always wear appropriate safety gear, including safety glasses, when reloading ammunition.
- Keep the die set and all reloading components out of the reach of children and unauthorized users.
- Be aware of your surroundings and ensure you are in a safe environment while reloading.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The die set may contain sharp edges. Handle with care to avoid cuts.
- Improper use can lead to dangerous ammunition, which may cause injury or damage.

- **Avoiding Hazards:**

- Always ensure that the die set is securely mounted to your reloading press before use.
- Do not attempt to modify the die set or use it for any purpose other than intended.
- Ensure that you are using the correct components compatible with the 223 Remington cartridge.

- **Age Restrictions:**

- This product is intended for use by adults only. Keep it away from children.

Instructions for Installation and Usage

- **Installation:**

1. Ensure your reloading press is clean and free of debris.
2. Securely mount the Small Base Sizer Die into the press according to the manufacturer's instructions.
3. Install the ExpanderDecapping Unit into the sizer die.
4. Next, mount the Regular Seater Die into the press.
5. Adjust the Seater Plug to the desired seating depth for your bullets.

- **Usage:**

1. Begin by resizing the 223 Remington cases using the Small Base Sizer Die. Ensure the die is adjusted to resize cases below SAAMI minimums.
2. Deprieme the case during the resizing process.
3. If using the builtin roll crimper, ensure it is properly engaged when seating bullets.
4. To seat bullets without crimping, adjust the die by unscrewing it until the crimp ring does not

- engage the case mouth.
5. After reloading, inspect all ammunition for proper seating and crimping before use.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of ammunition or reloading components in regular household waste.
- Check with local authorities for proper disposal methods for hazardous materials.

Contact Information for Further Support

For any inquiries or support regarding the use of the RCBS 223 Remington Small Base Die Set, please refer to the contact information provided on the packaging or the manufacturer's website.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we appreciate your commitment to responsible reloading practices.
