

# T3/T3X AICS BOTTOM METAL LONG ACTION - MOUNTAIN TACTICAL T3/T3X LA AICS BOTTOM METAL

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

Professional Gunsmith Installation Recommended The Tikka T3 and T3x has changed the firearm industry's perception of what a precision hunting rifle should be world-wide. While the Tikka excels in almost every aspect a shooter could ask for in a rifle, one shortcoming hand loaders have struggled with since the rifle's inception is the limited magazine length. A logical magazine replacement would be the long action AICS magazines and clones. While several bottom metal companies have attempted to make a bottom metal compatible with both these magazines and the T3/T3x, none have been able to create a solution that allows the use of longer case lengths... until now... This bottom metal was 6 years in the making! Through these years of trial and error, our design team has been able to create a kit that allows the shooter to utilize the full length available in these military grade magazines. Standard COAL for long action AICS magazines is 3.60" It is important to only use SAAMI length AICS style magazines with an external length of no more than 3.715" It is important to remember that once a rifle is modified beyond the scope its original design, additional and unforeseen work may be necessary for reliable function. Thus, installation, final fit and finish is best accomplished by a competent gunsmith. Magazine Compatibility: AICS 300 Win Mag - compatible with belted magnums based on the 300 Winchester Magnum AICS 300 Win Mag - compatible with 30-06 and similar based cartridges with modification to the magazine's feed lips AICS 338 Lapua - compatible with WSM and Nosler based cartridges Accurate Mag 30-06 - compatible with 30-06 and similar based cartridges with modification to the magazine's feed lips Accurate Mag 300 Win Mag - compatible with belted magnums based on the 300 Winchester Magnum Accurate Mag 300 RUM and .375 H&H Mag - compatible with WSM, Nosler, and other 404 Jeffries based cartridges Magpul PMag 5 AC L, Standard - compatible with 30-06 and similar based cartridges with modification to the magazine's feed lips (outside must be trimmed to fit into the Tikka action) Magpul PMag 5 AC L, Magnum - compatible with belted magnums based on the 300 Winchester Magnum with modification to the magazine's feed lips (outside must be trimmed to fit into the Tikka action) Specifications: Mag Catch Material - Stainless Steel Mag Catch Finish - Mill Finish Bottom Metal Body - 6061-T6 Billet Aluminum Bottom Metal Finish - Mil-Spec Hard Anodized Bolt Stop Material - Stainless Steel

## Attributes

- Name: [MOUNTAIN TACTICAL T3/T3X LA AICS BOTTOM METAL](#)
- Manufacturer: [MOUNTAIN TACTICAL](#)
- Product no.: 100061485
- Mfr. No.: T3T3XBM-LAICS
- Finish: Black
- Model: T3,T3x
- Weapon type: Tikka
- Delivery weight: 0.136kg
- Shipping height: 38mm
- Shipping width: 140mm
- Shipping length: 254mm

- UPC: 811291030078

## **Item details**

Made in USA

US export classification: 0A501.x

# T3/T3X AICS Bottom Metal Safety Instruction Guide

## Introduction

Thank you for choosing the T3/T3X AICS Bottom Metal from Mountain Tactical. This guide provides essential safety instructions to ensure the safe use and installation of this product. Please read this guide thoroughly before use to understand the potential hazards and necessary precautions.

## General Safety Guidelines

- **Product Safety:**
  - Ensure that the bottom metal is installed correctly to avoid malfunctions.
  - Use the product only as intended and in accordance with these instructions.
- **Enhanced Recalls:**
  - Stay informed about any recalls or safety notices related to this product.
- **Online Shopping:**
  - When purchasing online, ensure that you are buying from reputable sources that comply with safety regulations.
- **Special Consumer Focus:**
  - This product is intended for adult use only. Keep it out of reach of children.
- **EU Contact Point:**
  - For any safety inquiries, consult your local EUbased contact point.
- **Rapid Alerts:**
  - Regularly check the EU's Safety Gate platform for updates on unsafe products.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installation or maintenance.
- Wear appropriate safety gear, including eye protection, during installation.
- Handle all components with care to avoid damage or injury.
- Do not modify the bottom metal beyond the manufacturer's specifications.
- Ensure compatibility with AICS magazines and adhere to the specified magazine lengths.
- Be aware that modifications may lead to unforeseen issues with firearm operation.
- Consult a professional gunsmith for installation to ensure reliable function.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components before beginning installation.
- Ensure that the workspace is clean and free of distractions.

### 2. Installation Steps:

- Remove the existing bottom metal from your Tikka T3 or T3x rifle.
- Align the new AICS bottom metal with the rifle action.
- Securely attach the bottom metal using the provided screws.
- Ensure that the magazine catch is properly installed and functions correctly.

### 3. PostInstallation Checks:

- Verify that the bottom metal is firmly attached and shows no signs of movement.

- Test the magazine compatibility by inserting the chosen AICS magazine and checking for smooth operation.

#### **4. Usage:**

- Load the magazine as per the specifications, ensuring that you do not exceed the recommended COAL of 3.60 inches.
- Always check the magazine's external length to ensure it is within the limit of 3.715 inches.

## **Disposal Instructions**

- Dispose of any packaging materials and unused components in accordance with local regulations.
- Do not dispose of the bottom metal in regular household waste. Instead, check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For assistance with installation or any safety concerns, please consult a qualified gunsmith or your local dealer.

Thank you for reading this safety instruction guide. Your safety is our priority, and we appreciate your commitment to responsible firearm ownership.
