

BARREL AND BOLT CARRIER GROUP KITS 45ACP - CMMG 8" BARREL & BCG MT 1-16 .578X28 BLACK NITRIDE

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

The CMMG MkG Barrel and BCG Kit allow you to build a Pistol Caliber Carbine using their Patent Pending Radial Delayed Blowback System. Unlike typical direct blowback systems, the CMMG RDB uses a bolt that is forced to rotate and unlock, slowing the BCG. This results in a lighter BCG for a lighter rifle, and less felt recoil than a straight blowback system. While the CMMG GUARD 45 was designed for .45 ACP, they have tested it, and are proud to say that it is safety rated to fire 450 SMC. The MkG Barrel and Bolt Kits are designed to work exclusively with CMMG's MkG Lowers, and a mil-spec upper receiver with an enlarged ejection port. Other manufacturers' receivers may work, but CMMG cannot guarantee function or reliability. Radial Delayed Blowback Bolt (Patent Pending) Requires enlarged ejection port for reliable operation Chambered in .45ACP Available in 5" or 8" lengths Medium Taper Contour .578x28 threads 1-16 Barrel Twist Salt Bath Nitride Finish

Attributes

- Name: [CMMG 8" BARREL & BCG MT 1-16 .578X28 BLACK NITRIDE](#)

Safety Instruction Guide for BARREL AND BOLT CARRIER GROUP KITS 45ACP CMMG 8" BARREL & BCG MT 116 .578X28 BLACK NITRIDE

Introduction

Thank you for choosing the CMMG MkG Barrel and BCG Kit. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully before using the product to ensure safe operation and compliance with EU regulations.

General Safety Guidelines

- Ensure the product is used only by individuals who are knowledgeable about firearms and their safe handling.
- Always treat all firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the product in a secure location, away from unauthorized users, especially children.
- Regularly inspect the barrel and bolt carrier group for signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Use only .45 ACP ammunition with this product. Other ammunition types may cause malfunctions or dangerous situations.
- Ensure that the ejection port is enlarged as specified for reliable operation. Failure to do so may result in malfunctions.
- Always wear appropriate eye and ear protection while using this product.
- Do not modify the product in any way that could impact its safety or performance.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is completely unloaded before beginning installation.
- Remove the existing barrel and bolt carrier group from the firearm.
- Install the CMMG MkG Barrel and BCG Kit according to the following steps:
 - Align the barrel with the upper receiver and secure it in place.
 - Insert the bolt carrier group into the upper receiver, ensuring it is properly seated.
 - Verify that all components are correctly installed and secure.

2. Usage

- Load the firearm with .45 ACP ammunition only.
- Ensure the safety is engaged until you are ready to fire.
- Aim at the intended target, ensuring a clear line of sight and safe backdrop.
- Disengage the safety and pull the trigger to fire.
- After firing, always check the chamber to ensure it is clear before reloading or storing the firearm.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- When disposing of the product, ensure it is rendered inoperable to prevent unauthorized use.
- Contact local waste management authorities for guidelines on disposing of firearm components.

Contact Information for Further Support

For any inquiries regarding safety, operation, or performance of the CMMG MkG Barrel and BCG Kit, please consult your local firearms dealer or a qualified gunsmith.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your CMMG MkG Barrel and BCG Kit. Always prioritize safety and adhere to local laws and regulations. Thank you for your commitment to responsible firearm ownership.
