

# AR-15 ADJUSTBALE SERVICE TRIGGER - ELFTMANN AR-15 SERVICE TRIGGER CURVED FINGER ADJUSTABLE

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The ELF Service Trigger has been built for law enforcement and military duty. This trigger has an adjustable pull weight between 4 lbs and 7 lbs. The only AR-15 trigger using aerospace grade sealed bearings, making for an incredibly smooth and fast trigger pull. Our exclusive .043 double double wound polished piano wire hammer spring ensures full ignition of any ammo including .308 and 7.62x39. Pull weight from 4lbs to 7lbs is so easy to adjust it can be done in seconds without removing the trigger from your lower receiver. A second-to-none AR-15 drop-in trigger system that is strong and light, made of wire EDM machined, hardened A2 tool steel and lightweight aircraft-grade aluminum. Installation can be done in minutes using your AR's original hammer and trigger pins. The Service trigger may be ordered with a curved or straight shoe. The amazingly short takeup, glass-rod crisp break and next to zero over-travel can be compared to the finest custom 1911 triggers. Adjustability puts you in charge based on your preference. If you are looking for the finest adjustable trigger for your service AR-15 platform, this is the trigger system for you. Features Fits any mil-spec AR-15 Straight or Curved Trigger Available Incremental Adjustable Knob Absolutely Drop-Safe regardless of pull-weight Adjustable from 4lbs to 7lbs without removing from lower Proprietary Double-Double torsion hammer spring and heavy hammer ensure proper ignition of any ammunition Very short pull and reset allows for rapid follow up shots and greater accuracy Sturdy trigger assembly designed for rugged, trouble-free use; Made of lightweight aircraft-grade aluminum and hardened steel Unique design of disconnect allows full 1/4" width eliminating possibility of wear and double-firing High performance trigger and hammer needle bearings for smoother and faster firing

# Safety Instruction Guide for AR15 Adjustable Service Trigger

## Introduction

Thank you for choosing the ELF Adjustable Service Trigger for your AR15 platform. This product is designed for law enforcement and military duty, offering an adjustable pull weight and enhanced performance. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always treat your firearm and its components as if they are loaded.
- Ensure the trigger is installed correctly and securely before use.
- Do not modify the trigger or any of its components without consulting a qualified gunsmith.
- Store the trigger and firearm in a safe and secure location, away from children and unauthorized users.
- Regularly inspect the trigger for wear or damage. If any issues are found, do not use the trigger until it has been replaced or repaired.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.

## Specific Safety Precautions for Use

- **Pull Weight Adjustment:** Adjust the pull weight only when the firearm is unloaded and pointed in a safe direction.
- **Trigger Installation:** Ensure the trigger is compatible with your AR15 model before installation.
- **Ammunition:** Use only recommended ammunition types (.308 and 7.62x39) to ensure proper ignition.
- **Trigger Operation:** Practice safe trigger discipline to avoid accidental discharges.
- **Environmental Considerations:** Avoid using the trigger in extreme conditions (e.g., excessive moisture, dirt) that may affect its performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger and hammer pins from your lower receiver.
- Install the ELF Adjustable Service Trigger using your AR's original hammer and trigger pins.
- Ensure that the trigger is seated properly and functions without obstruction.
- Adjust the pull weight using the incremental adjustable knob, ensuring it is set between 4 lbs and 7 lbs.
- Perform a function check to ensure the trigger operates correctly.

### 2. Usage:

- Familiarize yourself with the trigger's operation before engaging in live fire.
- Practice proper trigger control and discipline.
- Regularly check the trigger's functionality and adjust as needed.

## Disposal Instructions

- Dispose of the trigger in accordance with local regulations regarding electronic waste and firearm components.
- Ensure that the trigger is rendered inoperable before disposal to prevent misuse.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or performance, please refer to the manufacturer's contact details provided with your product packaging.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure the safe and effective use of the ELF Adjustable Service Trigger for your AR15 platform. Always prioritize safety and adhere to best practices when handling firearms and their components. Thank you for your attention to these important safety measures.
