

AR-15 ADJUSTBALE SERVICE TRIGGER - ELFTMANN AR-15 SERVICE TRIGGER STRAIGHT FINGER ADJUSTABLE

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The ELF Service Trigger has been built for law enforcement and military duty. This trigger has an adjustable pull weight between 4 lbs and 7 lbs. The only AR-15 trigger using aerospace grade sealed bearings, making for an incredibly smooth and fast trigger pull. Our exclusive .043 double double wound polished piano wire hammer spring ensures full ignition of any ammo including .308 and 7.62x39. Pull weight from 4lbs to 7lbs is so easy to adjust it can be done in seconds without removing the trigger from your lower receiver. A second-to-none AR-15 drop-in trigger system that is strong and light, made of wire EDM machined, hardened A2 tool steel and lightweight aircraft-grade aluminum. Installation can be done in minutes using your AR's original hammer and trigger pins. The Service trigger may be ordered with a curved or straight shoe. The amazingly short takeup, glass-rod crisp break and next to zero over-travel can be compared to the finest custom 1911 triggers. Adjustability puts you in charge based on your preference. If you are looking for the finest adjustable trigger for your service AR-15 platform, this is the trigger system for you. Features Fits any mil-spec AR-15 Straight or Curved Trigger Available Incremental Adjustable Knob Absolutely Drop-Safe regardless of pull-weight Adjustable from 4lbs to 7lbs without removing from lower Proprietary Double-Double torsion hammer spring and heavy hammer ensure proper ignition of any ammunition Very short pull and reset allows for rapid follow up shots and greater accuracy Sturdy trigger assembly designed for rugged, trouble-free use; Made of lightweight aircraft-grade aluminum and hardened steel Unique design of disconnect allows full 1/4" width eliminating possibility of wear and double-firing High performance trigger and hammer needle bearings for smoother and faster firing

Safety Instruction Guide for ELF Adjustable Service Trigger

Introduction

Thank you for choosing the ELF Adjustable Service Trigger for your AR15 platform. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your trigger. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ELF Adjustable Service Trigger by following all safety instructions. This product is designed for law enforcement and military duty but should be used responsibly by all consumers.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. In case of a recall, remedies will be provided at no cost.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure it is stored out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please contact the manufacturer or the seller from whom you purchased the product.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the installation and usage instructions before handling the trigger.
- **Proper Handling:** Handle the trigger with care. Avoid dropping or mishandling it, as this may cause damage or malfunction.
- **Check Compatibility:** Ensure that the ELF Adjustable Service Trigger is compatible with your specific AR15 model.
- **Inspect Regularly:** Regularly check the trigger for any signs of wear or damage. If any issues are found, discontinue use immediately and seek professional assistance.
- **Use Approved Ammunition:** Only use approved ammunition types (.308 and 7.62x39) to ensure proper ignition and safety.
- **Avoid Modifications:** Do not attempt to modify the trigger in any way. Unauthorized modifications may compromise safety and performance.
- **Follow Local Laws:** Ensure compliance with all local laws and regulations regarding firearm accessories.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction before beginning installation.
- Remove the existing trigger and hammer pins from your AR15 lower receiver.
- Carefully install the ELF Adjustable Service Trigger using the original hammer and trigger pins.
- Adjust the pull weight using the incremental adjustable knob as per your preference. This can be done without removing the trigger from the lower receiver.
- Verify that the trigger functions correctly by performing a function check before using the firearm.

2. Usage:

- Familiarize yourself with the trigger's operation and features before live firing.
- Practice safe firearm handling at all times.
- Ensure that you have a clear line of sight and a safe backstop when firing.

Disposal Instructions

- When disposing of the ELF Adjustable Service Trigger, follow local regulations regarding the disposal of firearm accessories.
- Ensure that all components are removed from the firearm and disposed of in a manner that prevents unauthorized use.

Contact Information for Further Support

For any questions or concerns regarding the ELF Adjustable Service Trigger, please reach out to the manufacturer or your point of purchase. They will provide you with the necessary assistance and support.

By following these safety instructions, you can ensure the safe and effective use of your ELF Adjustable Service Trigger. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important guidelines.
